Notification of Maryland Health Connection System Maintenance

BALTIMORE (October 12, 2013)— Marylanders have continued to show tremendous interest in accessing quality, affordable health coverage. Our IT team continues to work around the clock to make changes that are improving the performance of MarylandHealthConnection.Gov. **We will be implementing a planned update to the system software beginning Saturday evening (October 12) at 11:00 pm through Monday morning (October 14) at 8:00 am** to improve system performance.

The system will be temporarily unavailable during this period and will resume operations on **Monday morning at 8:00 am**. The Consumer Support Center remains open to assist consumers. Please call toll-free at 1-855-642- 8572 on Saturday until 6 pm and Sunday 8 am until 2 pm.

Please visit the new [“Prepare for Enrollment”](#) page on MarylandHealthConnection.gov where you can review health plans, including Qualified Health Plans and Managed Care Organizations, and review rate estimates. Keep these resources on hand when selecting the plan options best for you and your family.

You have time to apply, compare plans, and enroll

The Open Enrollment period runs until March 31, 2014. Remember you have until December 18 to sign up for health coverage that will start January 1, 2014. Thank you for your continued interest in Maryland Health Connection.
