

Enrollment Report (Through Jan. 22, 2015)

More than 185,000 Marylanders have enrolled in health insurance through MarylandHealthConnection.gov for 2015

Overview

As of Jan. 22, 185,199 Marylanders have enrolled in quality, affordable health coverage for calendar year 2015, since the 90-day open enrollment period began Nov. 15. That includes 93,806 people enrolled in private Qualified Health Plans (QHP) and 91,393 people enrolled in Medicaid.

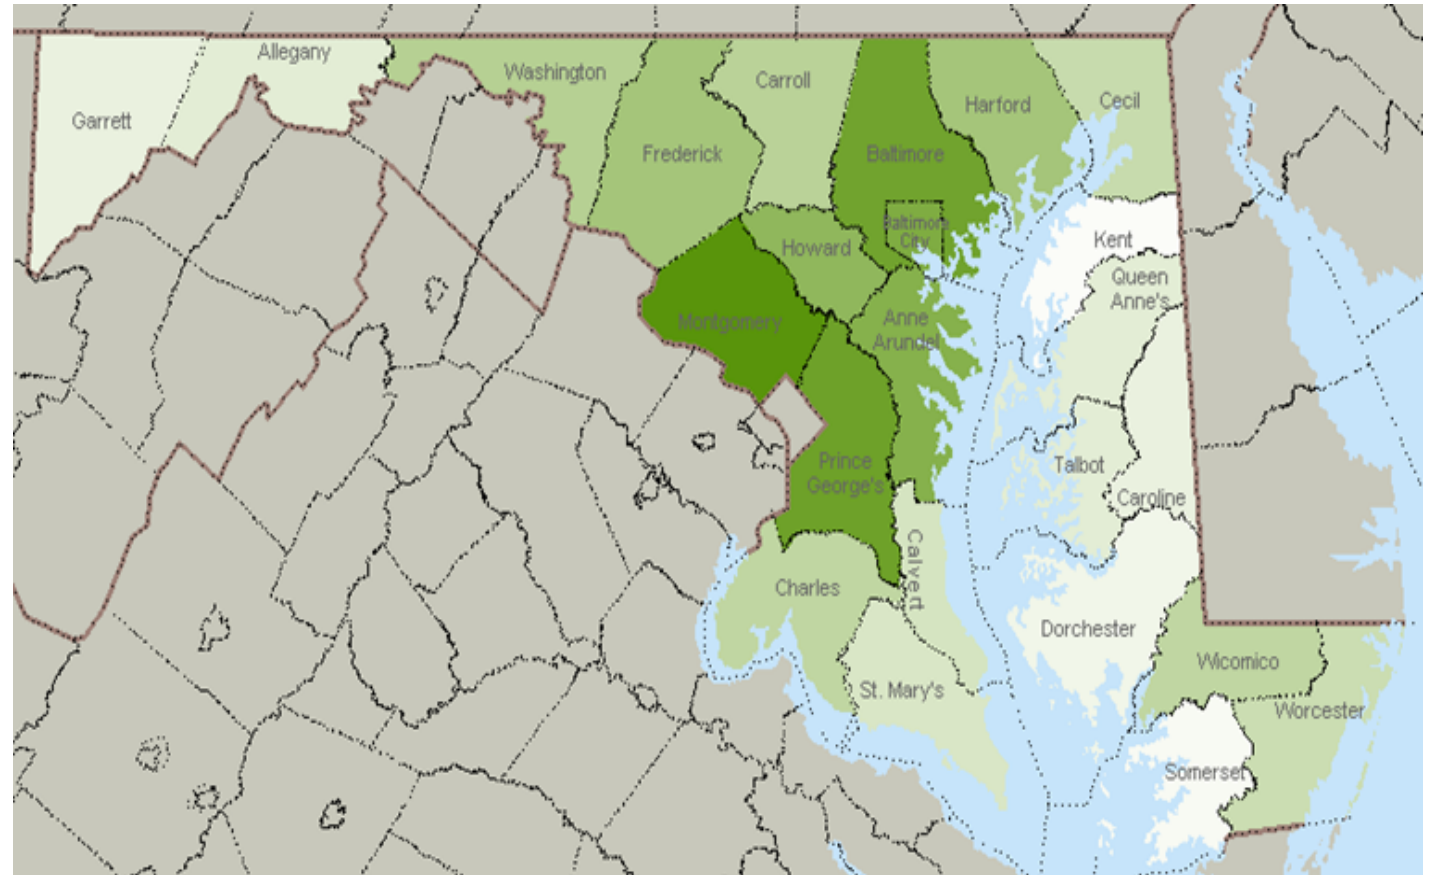

Marylanders can enroll or re-enroll by Feb. 15 for coverage effective March 1 and, if eligible, for an Advanced Premium Tax Credit (APTC) to immediately lower their monthly insurance bills. Open enrollment for Maryland Health Connection ends Feb. 15.

Medicaid Enrollment

As of Jan. 21, the total number of Medicaid and MCHP enrollment is 1,281,999. Compared to Dec. 31, 2013, the net change in Medicaid enrollment as of Jan. 21, 2015 is +241,337. This figure takes into account that individuals lose Medicaid coverage because of changes in household, age and income, as well as redeterminations.
