

Enrollment Report (Through Feb. 4, 2015)

More than 211,000 Marylanders have enrolled in health insurance through Maryland Health Connection for 2015

Qualified Health Plan enrollments surpass 100,000

Overview

As of Feb. 4., 211,430 Marylanders have enrolled in quality, affordable health coverage for calendar year 2015, since the 90-day open enrollment period began Nov. 15. That includes 100,547 people enrolled in private Qualified Health Plans (QHP) and 110,883 people enrolled in Medicaid. Marylanders can enroll or re-enroll by Feb. 15 for coverage effective March 1 and, if eligible, for an Advanced Premium Tax Credit (APTC) to immediately lower their monthly insurance bills. Open enrollment for Maryland Health Connection ends Feb. 15.

“We’re pleased to have passed the 100,000 mark for QHP enrollments and look forward to enrolling even more consumers during the final days of open enrollment,” said Carolyn Quattrocki, executive director of the Maryland Health Benefit Exchange. “We encourage all Marylanders to shop for quality, affordable health coverage through the state’s marketplace before the Feb. 15 deadline.”

For 2015, the tax penalty for not having coverage is 2 percent of gross household income over the federal income tax filing threshold, or \$325 per individual – whichever is greater. For each month that an individual does not have coverage, he or she will be assessed a penalty equivalent to 1/12 of the yearly penalty. Federal law provides exemptions for certain individuals, including those below a certain income and those who are without coverage for fewer than three months.

Medicaid Enrollment

As of Feb. 4, the total number of Medicaid and MCHP enrollment is 1,283,742. Compared to Dec. 31, 2013, the net change in Medicaid enrollment as of Feb. 4, 2015 is +242,112. This figure takes into account that individuals lose Medicaid coverage because of changes in household, age and income, as well as redeterminations.
