Proposals submitted in response to this RFP are irrevocable for 120 days following the closing date for submission of Proposals or best and final offers if requested. This period may be extended at the Procurement Officer's request only with the Offeror's written agreement.

1.18 Revisions to the RFP

If it becomes necessary to revise this RFP before the due date for Proposals, the MHBE shall endeavor to provide addenda to all prospective Offerors that were sent this RFP or which are otherwise known by the Procurement Officer to have obtained this RFP. In addition, addenda to the RFP will be posted on the MHBE's procurement web page and through eMM. It remains the responsibility of all prospective Offerors to check all applicable websites for any addenda issued prior to the submission of Proposals. Addenda made after the due date for Proposals will be sent only to those Offerors that submitted a timely Proposal and that remain under award consideration as of the issuance date of the addenda.

Acknowledgment of the receipt of all addenda to this RFP issued before the Proposal due date shall be included in the Transmittal Letter accompanying the Offeror's Technical Proposal (see RFP Section 4.4.2.3). Acknowledgement of the receipt of addenda to the RFP issued after the Proposal due date shall be in the manner specified in the addendum notice. Failure to acknowledge receipt of an addendum does not relieve the Offeror from complying with the terms, additions, deletions, or corrections set forth in the addendum.

1.19 Cancellations

The State reserves the right to cancel this RFP, accept or reject any and all Proposals, in whole or in part, received in response to this RFP, to waive or permit the cure of minor irregularities, and to conduct discussions with all qualified or potentially qualified Offerors in any manner necessary to serve the best interests of the State. The State also reserves the right, in its sole discretion, to award a Contract based upon the written Proposals received without discussions or negotiations.

1.20 Incurred Expenses

The State will not be responsible for any costs incurred by any Offeror in preparing and submitting a Proposal, in making an oral presentation, in providing a demonstration, or in performing any other activities related to submitting a Proposal in response to this solicitation.

1.21 Protest/Disputes

Any protest related, to this solicitation shall be subject to the provisions of Section VII of the MHBE Procurement Policies & Procedures. Any dispute related to the Contract shall be subject to the Disputes provisions of the Contract resulting from this RFP (refer to RFP Attachment A).

1.22 Offeror Responsibilities

The selected Offeror shall be responsible for all products and services required by this RFP. All subcontractors must be identified and a complete description of their role relative to the Proposal ("Role") must be included in the Offeror's Proposal. If applicable, subcontractors utilized in meeting the established MBE participation goal(s) for this solicitation shall be identified as provided in the appropriate Attachment(s) of this RFP (see Section 1.33 "Minority Business Enterprise Goals").

If an Offeror that seeks to perform or provide the services required by this RFP is the subsidiary of another entity, all information submitted by the Offeror, including but not limited to references, financial reports, or experience and documentation (e.g. insurance policies, bonds, letters of credit) used to meet minimum

qualifications, if any, shall pertain exclusively to the Offeror, unless the parent organization will guarantee the performance of the subsidiary. If applicable, the Offeror shall submit with its Proposal an explicit statement, signed by an authorized representative of the parent organization, stating that the parent organization will guarantee the performance of the subsidiary.

A parental guarantee of the performance of the Offeror under this Section will not automatically result in crediting the Offeror with the experience and/or qualifications of the parent under any evaluation criteria pertaining to the Offeror's experience and qualifications. Instead, the Contractor shall be evaluated on the extent to which the State determines that the experience and qualification of the parent are transferred to and shared with the Offeror, the parent is directly involved in the performance of the Contract, and the value of the parent's participation as determined by the State.

1.23 Substitution of Personnel

A. Continuous Performance of Key Personnel

Unless substitution is approved per paragraphs B-D of this section, Key Personnel shall be the same personnel proposed in the Contractor's Technical Proposal, which will be incorporated into the Contract by reference. Such identified Key Personnel shall perform continuously for the duration of the Contract, or such lesser duration as specified in the Technical Proposal. Key Personnel may not be removed by the Contractor from working under this Contract, as described in the RFP or the Contractor's Technical Proposal, without the prior written approval of the Contract Monitor.

B. Definitions

For the purposes of this section, the following definitions apply:

Extraordinary Personal Circumstance – means any circumstance in an individual's personal life that reasonably requires immediate and continuous attention for more than fifteen (15) days and that precludes the individual from performing his/her job duties under this Contract. Examples of such circumstances may include, but are not limited to: a sudden leave of absence to care for a family member who is injured, sick, or incapacitated; the death of a family member, including the need to attend to the estate or other affairs of the deceased or his/her dependents; substantial damage to, or destruction of, the individual's home that causes a major disruption in the individual's normal living circumstances; criminal or civil proceedings against the individual or a family member; jury duty; and military service call-up.

Incapacitating – means any health circumstance that substantially impairs the ability of an individual to perform the job duties described for that individual's position in the RFP or the Contractor's Technical Proposal.

Sudden – means when the Contractor has less than thirty (30) days' prior notice of a circumstance beyond its control that will require the replacement of any Key Personnel working under the Contract.

C. Key Personnel General Substitution Provisions

The following provisions apply to all of the circumstances of staff substitution described in paragraph D of this section.

1. The Contractor shall demonstrate to the Contract Monitor's satisfaction that the proposed substitute Personnel have qualifications at least equal to those of the Key Personnel for whom the replacement is requested.
2. The Contractor shall provide the Contract Monitor with a substitution request that shall include:
 - A detailed explanation of the reason(s) for the substitution request;
 - The resume of the proposed substitute personnel, signed by the substituting individual and his/her formal supervisor;
 - The official resume of the current personnel for comparison purposes; and
 - Any evidence of any required credentials.
3. The Contract Monitor may request additional information concerning the proposed substitution. In addition, the Contract Monitor and/or other appropriate State personnel involved with the Contract may interview the proposed substitute personnel prior to deciding whether to approve the substitution request.
4. The Contract Monitor will notify the Contractor in writing of: (i) the acceptance or denial, or (ii) contingent or temporary approval for a specified time limit, of the requested substitution. The Contract Monitor will not unreasonably withhold approval of a requested Key Personnel replacement.

D. Replacement Circumstances

1. Voluntary Key Personnel Replacement

To voluntarily replace any Key Personnel, the Contractor shall submit a substitution request as described in paragraph C of this section to the Contract Monitor at least fifteen (15) days prior to the intended date of change. Except in a circumstance described in paragraph D.2 of this clause, a substitution may not occur unless and until the Contract Monitor approves the substitution in writing.

2. Key Personnel Replacement Due to Vacancy

The Contractor shall replace Key Personnel whenever a vacancy occurs due to the sudden termination, resignation, leave of absence due to an Extraordinary Personal Circumstance, Incapacitating injury, illness or physical condition, or death of such personnel. (A termination or resignation with thirty (30) days or more advance notice shall be treated as a Voluntary Key Personnel Replacement as per Section D.1 of this section.).

Under any of the circumstances set forth in this paragraph D.2, the Contractor shall identify a suitable replacement and provide the same information or items required under paragraph C of this section within fifteen (15) days of the actual vacancy occurrence or from when the Contractor first knew or should have known that the vacancy would be occurring, whichever is earlier.

3. Key Personnel Replacement Due to an Indeterminate Absence

If any Key Personnel has been absent from his/her job for a period of ten (10) days due to injury, illness, or other physical condition, leave of absence under a family medical leave, or an

Extraordinary Personal Circumstance and it is not known or reasonably anticipated that the individual will be returning to work within the next twenty (20) days to fully resume all job duties, before the 25th day of continuous absence, the Contractor shall identify a suitable replacement and provide the same information or items to the Contract Monitor as required under paragraph C of this section.

However, if this person is available to return to work and fully perform all job duties before a replacement has been authorized by the Contract Monitor, at the option and sole discretion of the Contract Monitor, the original personnel may continue to work under the Contract, or the replacement personnel will be authorized to replace the original personnel, notwithstanding the original personnel's ability to return.

4. Directed Personnel Replacement

- a. The Contract Monitor may direct the Contractor to replace any personnel who are perceived as being unqualified, non-productive, unable to fully perform the job duties due to full or partial Incapacity or Extraordinary Personal Circumstance, disruptive, or known, or reasonably believed, to have committed a major infraction(s) of law, Agency, or Contract requirements. Normally, a directed personnel replacement will occur only after prior notification of problems with requested remediation, as described in paragraph 4.b. If after such remediation the Contract Monitor determines that the personnel performance has not improved to the level necessary to continue under the Contract, if at all possible at least fifteen (15) days notification of a directed replacement will be provided. However, if the Contract Monitor deems it necessary and in the State's best interests to remove the personnel with less than fifteen (15) days' notice, the Contract Monitor can direct the removal in a timeframe of less than fifteen (15) days, including immediate removal.

In circumstances of directed removal, the Contractor shall, in accordance with paragraph C of this section, provide a suitable replacement for approval within fifteen (15) days of the notification of the need for removal, or the actual removal, whichever occurs first.

- b. If deemed appropriate in the discretion of the Contract Monitor, the Contract Monitor shall give written notice of any personnel performance issues to the Contractor, describing the problem and delineating the remediation requirement(s). The Contractor shall provide a written Remediation Plan within ten (10) days of the date of the notice and shall implement the Remediation Plan immediately upon written acceptance by the Contract Monitor. If the Contract Monitor rejects the Remediation Plan, the Contractor shall revise and resubmit the plan to the Contract Monitor within five (5) days, or in the timeframe set forth by the Contract Monitor in writing.

Should performance issues persist despite the approved Remediation Plan, the Contract Monitor will give written notice of the continuing performance issues and either request a new Remediation Plan within a specified time limit or direct the substitution of personnel whose performance is at issue with a qualified substitute, including requiring the immediate removal of the Key Personnel at issue.

Replacement or substitution of personnel under this section shall be in addition to, and not in lieu of, the State's remedies under the Contract or which otherwise may be available at law or in equity.

1.24 Mandatory Contractual Terms

By submitting a Proposal in response to this RFP, an Offeror, if selected for award, shall be deemed to have accepted the terms and conditions of this RFP and the Contract, attached herein as RFP **Attachment A**. Any exceptions to this RFP or the Contract shall be clearly identified in the Executive Summary of the Technical Proposal. **A Proposal may be rejected if it takes exception to these terms or fails to state that it has taken no exceptions (reference RFP Section 4.4.2.4).**

1.25 Bid/Proposal Affidavit

A Proposal submitted by an Offeror must be accompanied by a completed Bid/Proposal Affidavit. A copy of this Affidavit is included as **Attachment B** of this RFP.

1.26 Contract Affidavit

All Offerors are advised that if a Contract is awarded as a result of this solicitation, the successful Contractor shall be required to complete a Contract Affidavit. A copy of this Affidavit is included as **Attachment C** of this RFP. This Affidavit must be provided within five (5) Business Days of notification of proposed Contract award. This Contract Affidavit is also required to be submitted by the Contractor with any Contract renewal, including the exercise of any options or modifications that may extend the Contract term. For purposes of completing Section “B” of this Affidavit (Certification of Registration or Qualification with the State Department of Assessments and Taxation), note that a business entity that is organized outside of the State of Maryland is considered to be a “foreign” business.

1.27 Compliance with Laws/Arrearages

By submitting a Proposal in response to this RFP, the Offeror, if selected for award, agrees that it will comply with all Federal, State, and local laws applicable to its activities and obligations under the Contract.

By submitting a response to this solicitation, each Offeror represents that it is not in arrears in the payment of any obligations due and owing the State, including the payment of taxes and employee benefits, and that it shall not become so in arrears during the term of the Contract if selected for Contract award.

1.28 Verification of Registration and Tax Payment

Before a business entity can do business in the State it must be registered with the State Department of Assessments and Taxation (SDAT). SDAT is located at State Office Building, Room 803, 301 West Preston Street, Baltimore, Maryland 21201. The SDAT website is <http://sdatcert3.resiusa.org/ucc-charter/>.

It is strongly recommended that any potential Offeror complete registration prior to the due date for receipt of Proposals. An Offeror’s failure to complete registration with SDAT may disqualify an otherwise successful Offeror from final consideration and recommendation for Contract award.

1.29 False Statements

Offerors are advised that Md. Code Ann., State Finance and Procurement Article, § 11-205.1 provides as follows:

1.29.1 In connection with a procurement contract a person may not willfully:

- (a) Falsify, conceal, or suppress a material fact by any scheme or device;
- (b) Make a false or fraudulent statement or representation of a material fact; or
- (c) Use a false writing or document that contains a false or fraudulent statement or entry of a material fact.

1.29.2 A person may not aid or conspire with another person to commit an act under subsection (1) of this section.

1.29.3 A person who violates any provision of this section is guilty of a felony and on conviction is subject to a fine not exceeding \$20,000 or imprisonment not exceeding five years or both.

1.30 Payments by Electronic Funds Transfer

By submitting a response to this solicitation, the Bidder/Offeror agrees to accept payments by electronic funds transfer (EFT) unless the State Comptroller's Office grants an exemption. Payment by EFT is mandatory for contracts exceeding \$200,000. The selected Bidder/Offeror shall register using the COT/GAD X-10 Vendor Electronic Funds (EFT) Registration Request Form. Any request for exemption must be submitted to the State Comptroller's Office for approval at the address specified on the COT/GAD X-10 form, must include the business identification information as stated on the form, and must include the reason for the exemption. The COT/GAD X-10 form may be downloaded from the Comptroller's website at:

http://comptroller.marylandtaxes.com/Government_Services/State_Accounting_Information/Static_Files/APM/gadx-10.pdf

1.31 Prompt Payment Policy

This procurement and the Contract to be awarded pursuant to this solicitation are subject to the Prompt Payment Policy Directive issued by the Governor's Office of Minority Affairs (GOMA) and dated August 1, 2008. Promulgated pursuant to Md. Code Ann., State Finance and Procurement Article, §§ 11-201, 13-205(a), and Title 14, Subtitle 3, and COMAR 21.01.01.03 and 21.11.03.01, the Directive seeks to ensure the prompt payment of all subcontractors on non-construction procurement contracts. The Contractor must comply with the prompt payment requirements outlined in the Contract, Section 29.3 "Prompt Payment" (see **Attachment A**). Additional information is available on GOMA's website at: <http://goma.maryland.gov/Documents/Legislation/PromptPaymentFAQs.pdf>

1.32 Electronic Procurements Authorized

- A. Unless otherwise prohibited by law, MHBE may conduct procurement transactions by electronic means, including the solicitation, bidding, award, execution, and administration of a contract, as provided in the Maryland Uniform Electronic Transactions Act, Md. Code Ann., Commercial Law Article, Title 21.
- B. Participation in the solicitation process on a procurement contract for which electronic means has been authorized shall constitute consent by the Offeror to conduct by electronic means all elements of the procurement of that Contract which are specifically authorized under the solicitation or the Contract.

- C. “Electronic means” refers to exchanges or communications using electronic, digital, magnetic, wireless, optical, electromagnetic, or other means of electronically conducting transactions. Electronic means includes facsimile, e-mail, internet-based communications, electronic funds transfer, specific electronic bidding platforms (e.g., <https://emaryland.buyspeed.com/bsol/>), and electronic data interchange.
- D. In addition to specific electronic transactions specifically authorized in other sections of this solicitation (e.g., § 1.30 “Payments by Electronic Funds Transfer”), the following transactions are authorized to be conducted by electronic means on the terms described:
1. The Procurement Officer may conduct the procurement using eMM or e-mail to issue:
 - (a) the solicitation (RFP);
 - (b) any amendments;
 - (c) pre-Proposal conference documents;
 - (d) questions and responses;
 - (e) communications regarding the solicitation or Proposal to any Offeror or potential Offeror;
 - (f) notices of award selection or non-selection; and

 - (d) submit a "No Bid/Proposal Response" to the solicitation; and
 - (e) submit documents determined by the MHBE to require original signatures (contract execution or modifications).
 3. The Procurement Officer, the Contract Monitor, and the Contractor may conduct day-to-day Contract administration utilizing e-mail, facsimile, or other electronic means if authorized by the Procurement Officer or Contract Monitor.
 4. Notwithstanding the foregoing provisions of this Section 1.32, MHBE requires all Transmittal Letters, Proposals and any Contract resulting from this RFP to contain original signatures executed in ink by a person authorized to bind the Contractor. However, the Contractor may scan and submit electronically any document containing such original signature(s). The Contract may be signed by the Parties in counterparts, each of which shall be deemed to be an original but all of which, taken together, shall constitute one and the same Contract.

1.33 Minority Business Enterprise Goal

1.33.1 Establishment of Goal

An overall MBE subcontractor participation goal of **10%** of the total contract dollar amount as set forth in the Offeror’s Price Proposal (Attachment F), including all option years, has been established for this procurement.

The Contractor is encouraged to use a diverse group of subcontractors and suppliers from any/all of the various MBE classifications to meet the remainder of the overall MBE participation goal.

There are no MBE subcontractor participation subgoals for this procurement.

1.33.2 **Attachments D-1 to D-5** – The following Minority Business Enterprise participation instructions, and forms are provided to assist Offerors:

Attachment D-1A	MBE Utilization and Fair Solicitation Affidavit & MBE Participation Schedule (must be submitted with Proposal)
Attachment D-1B	Waiver Guidance
Attachment D-1C	Good Faith Efforts Documentation to Support Waiver Request
Attachment D-2	Outreach Efforts Compliance Statement
Attachment D-3A	MBE Subcontractor Project Participation Certification
Attachment D-3B	MBE Prime Project Participation Certification
Attachment D-4A	Prime Contractor Paid/Unpaid MBE Invoice Report
Attachment D-4B	MBE Prime Contractor Report
Attachment D-5	Subcontractor/Contractor Unpaid MBE Invoice Report

1.33.3 A Offeror shall include with its Proposal a completed MBE Utilization and Fair Solicitation Affidavit (**Attachment D-1A**) whereby:

- (a) The Offeror acknowledges the certified MBE participation goal and commits to make a good faith effort to achieve the goal, or requests a waiver, and affirms that MBE subcontractors were treated fairly in the solicitation process; and
- (b) The Offeror responds to the expected degree of MBE participation, as stated in the solicitation, by identifying the specific commitment of certified MBEs at the time of Proposal submission. The Offeror shall specify the percentage of total contract value associated with each MBE subcontractor identified on the MBE participation schedule, including any work performed by the MBE Prime (including a Prime participating as a joint venture) to be counted towards meeting the MBE participation goals.
- (c) An Offeror requesting a waiver should review Attachment D-1B (Waiver Guidance) and D-1C (Good Faith Efforts Documentation to Support Waiver Request) prior to submitting its request.

If an Offeror fails to submit a completed Attachment D-1A with the Bid/Proposal as required, the Procurement Officer shall determine that the Proposal is not reasonably susceptible of being selected for award.

1.33.4 Offerors are responsible for verifying that each MBE (including any MBE Prime and/or MBE Prime participating in a joint venture) selected to meet the goal subsequently identified in **Attachment D-1A** is appropriately certified and has the correct NAICS codes allowing it to perform the committed work.

1.33.5 Within ten (10) Business Days from notification that it is the recommended awardee or from the date of the actual award, whichever is earlier, the Offeror must provide the following documentation to the Procurement Officer.

- (a) Outreach Efforts Compliance Statement (**Attachment D-2**).
- (b) MBE Subcontractor/Prime Project Participation Certification (**Attachment D-3A/3B**).
- (c) If the recommended awardee believes a waiver (in whole or in part) of the overall MBE goal is necessary, the recommended awardee must submit a fully-documented waiver request that complies with COMAR 21.11.03.11.
- (d) Any other documentation required by the Procurement Officer to ascertain Offeror responsibility in connection with the certified MBE subcontractor participation goal.

If the recommended awardee fails to return each completed document within the required time, the Procurement Officer may determine that the recommended awardee is not responsible and, therefore, not eligible for Contract award. If the Contract has already been awarded, the award is voidable.

- 1.33.6 A current directory of certified MBEs is available through the Maryland State Department of Transportation (MDOT), Office of Minority Business Enterprise, 7201 Corporate Center Drive, Hanover, Maryland 21076. The phone numbers are (410) 865-1269, 1-800-544-6056, or TTY (410) 865-1342. The directory is also available on the MDOT website at <http://mbe.mdot.state.md.us/directory/>. The most current and up-to-date information on MBEs is available via this website. **Only MDOT-certified MBEs may be used to meet any MBE subcontracting goals.**
- 1.33.7 The Contractor, once awarded a Contract, will be responsible for submitting or requiring its subcontractor(s) to submit the following forms to provide the State with ongoing monitoring of MBE Participation:
- (a) **Attachment D-4A** (Prime Contractor Paid/Unpaid MBE Invoice Report).
 - (b) **Attachment D- 4B** (MBE Prime Contractor Report, *if applicable*)
 - (c) **Attachment D-5** (MBE Subcontractor/Contractor Unpaid MBE Invoice Report).
- 1.33.8 A Offeror that requested a waiver of the goal will be responsible for submitting the Good Faith Efforts Documentation to Support Waiver Request (**Attachment D-1C**) and all documentation within ten (10) Business Days from notification that it is the recommended awardee or from the date of the actual award, whichever is earlier, as required in **COMAR 21.11.03.11**.
- 1.33.9 All documents, including the MBE Utilization and Fair Solicitation Affidavit & MBE Participation Schedule (**Attachment D-1A**), completed and submitted by the Offeror in connection with its certified MBE participation commitment shall be considered a part of the resulting Contract and are hereby expressly incorporated into the Contract by reference thereto. All of the referenced documents will be considered a part of the Technical Proposal for order of precedence purposes (see Contract – **Attachment A**, Section 2.1).
- 1.33.10 The Offeror is advised that liquidated damages will apply in the event the Contractor fails to comply in good faith with the requirements of the MBE program and pertinent Contract provisions. (See Contract – **Attachment A**, Section 29.2).
- 1.33.11 As set forth in COMAR 21.11.03.12-1(D), when a certified MBE firm participates on a Contract as a Prime Contractor (including a joint-venture where the MBE firm is a partner), a procurement agency may count the distinct, clearly defined portion of the work of the contract that the certified MBE firm performs with its own work force towards fulfilling up to fifty-percent (50%) of the MBE participation goal (overall) and up to one hundred percent (100%) of not more than one of the MBE participation sub-goals, if any, established for the contract.

In order to receive credit for self-performance, an MBE Prime must list its firm in Section 4A of the MBE Participation Schedule (**Attachment D-1A**) and include information regarding the work it will self-perform. For the remaining portion of the overall goal and the sub-goals, the MBE Prime must also identify certified MBE subcontractors (see Section 4B of the MBE Participation Schedule (**Attachment D-1A**)) used to meet those goals. If dually-certified, the MBE Prime can be designated as only one of the MBE sub-goal classifications but can self-perform up to 100% of the stated sub-goal.

As set forth in COMAR 21.11.03.12-1, once the Contract work begins, the work performed by a certified MBE firm, including an MBE Prime, can only be counted towards the MBE participation goal(s) if the MBE firm is performing a commercially useful function on the Contract.

1.33.12 With respect to Contract administration, the Contractor shall:

- (a) Submit to the MHBE's designated representative by the 10th of the month following the reporting period:
 - i. A Prime Contractor Paid/Unpaid MBE Invoice Report (Attachment D-4A) listing any unpaid invoices, over 45 days old, received from any certified MBE subcontractor, the amount of each invoice and the reason payment has not been made; and
 - ii. (If Applicable) An MBE Prime Contractor Report (Attachment D-4B) identifying an MBE Prime's self-performing work to be counted towards the MBE participation goals.
- (b) Include in its agreements with its certified MBE subcontractors a requirement that those subcontractors submit to the MHBE's designated representative by the 10th of the month following the reporting period an MBE Subcontractor Paid/Unpaid Invoice Report (**Attachment D-5**) that identifies the Contract and lists all payments to the MBE subcontractor received from the Contractor in the preceding reporting period month, as well as any outstanding invoices, and the amounts of those invoices.
- (c) Maintain such records as are necessary to confirm compliance with its MBE participation obligations. These records must indicate the identity of certified minority and non-minority subcontractors employed on the Contract, the type of work performed by each, and the actual dollar value of work performed. Subcontract agreements documenting the work performed by all MBE participants must be retained by the Contractor and furnished to the Procurement Officer on request.
- (d) Consent to provide such documentation as reasonably requested and to provide right-of-entry at reasonable times for purposes of the State's representatives verifying compliance with the MBE participation obligations. Contractor must retain all records concerning MBE participation and make them available for State inspection for three years after final completion of the Contract.
- (e) Upon completion of the Contract and before final payment and/or release of retainage, submit a final report in affidavit form and under penalty of perjury, of all payments made to, or withheld from MBE subcontractors.

1.34 Federal Funding Acknowledgement

1.34.1 There are programmatic conditions that apply to this Contract due to Federal funding (refer to RFP **Attachment G**).

1.34.2 The total amount of Federal funds allocated for the MHBE is \$47.3 million in Maryland State fiscal year 2017. This represents 57.5% of all funds budgeted for the unit in that fiscal year. This does not necessarily represent the amount of funding available for any particular grant, contract, or solicitation.

1.34.3 This Contract contains federal funds. The source of these federal funds is Medicaid. The CFDA number is 93.778. Execution of a Contract awarded as a result of this RFP indicates the Contractor's agreement with all federal funding terms and conditions that apply to contractors receiving federal funds from Medicaid, including the provisions described in RFP **Attachment G**.

1.35 Conflict of Interest Affidavit and Disclosure

Offerors shall complete and sign the Conflict of Interest Affidavit and Disclosure (RFP **Attachment H**) and submit it with their Proposal. All Offerors are advised that if a Contract is awarded as a result of this solicitation, the Contractor's personnel who perform or control work under this Contract and each of the participating subcontractor personnel who perform or control work under this Contract shall be required to complete agreements substantially similar to RFP **Attachment H** Conflict of Interest Affidavit and Disclosure. For policies and procedures applying specifically to Conflict of Interests, the Contract is governed by COMAR 21.05.08.08, which is hereby incorporated into this RFP by reference.

1.36 Non-Disclosure Agreement

All Offerors are advised that this solicitation and any resultant Contract is subject to the terms of the Non-Disclosure Agreement (NDA) contained in this solicitation as RFP **Attachment I**. This Agreement must be provided within five (5) Business Days of notification of proposed Contract award; however, to expedite processing, it is suggested that this document be completed and submitted with the Proposal.

1.37 Non-Exchange Entity Agreement

Based on the MHBE's determination that the Contract awarded as a result of this RFP will involve the Contractor's Access to PII protected under 45 C.F.R. § 155.260, the Contractor shall be considered a Non-Exchange Entity under 45 C.F.R. § 155.260(b)(1). Therefore, pursuant to 45 C.F.R. § 155.260(b)(2), the recommended awardee shall execute a Non-Exchange Entity Agreement as set forth in RFP **Attachment J**. This Agreement must be provided within five (5) Business Days of notification of proposed Contract award; however, to expedite processing, it is suggested that this document be completed and submitted with the Proposal. Should the Non-Exchange Entity Agreement not be submitted upon expiration of the five (5) Business Day period as required by this solicitation, the Procurement Officer, upon review of the Office of the Attorney General and approval of the Executive Director, may withdraw the recommendation for award and make the award to the responsible Bidder/Offeror with the next lowest Bid or next highest overall-ranked Proposal.

1.38 HIPAA — Business Associate Agreement

Based on the determination by MHBE that certain functions to be performed in accordance with this solicitation constitute Business Associate functions as defined in HIPAA, the recommended awardee shall execute a Business Associate Agreement as required by HIPAA regulations at 45 C.F.R. §164.501 and in substantially similar form to that set forth in **Attachment L**. This Agreement must be provided within five (5) Business Days of notification of proposed Contract award. Should the Business Associate Agreement not be submitted upon expiration of the five (5)

Business Day period as required by this solicitation, the Procurement Officer, upon review of the Office of the Attorney General and approval of the MHBE Board of Trustees, may withdraw the recommendation for award and make the award to the responsible Bidder/Offeror with the next lowest Bid or next highest overall-ranked Proposal.

1.39 Nonvisual Access

This solicitation does not contain Information Technology (IT) provisions requiring Nonvisual Access.

1.40 Mercury and Products That Contain Mercury

This solicitation does not include the procurement of products known to likely include mercury as a component.

1.41 Performance Bond

1.41.1 The successful Offeror shall deliver a performance bond or other security acceptable to MHBE to the MHBE within five (5) working days after notification of recommended award (the “Performance Bond”).

1.41.2 The successful Offeror must submit a Performance Bond in the amount of \$4,000,000, guaranteeing that the Contractor shall well and truly perform the Contract.

1.41.3 The Performance Bond shall be in the form provided in RFP Attachment K and underwritten by a surety company authorized to do business in the State and shall be subject to approval by the State, or shall be in the form of another security acceptable to MHBE. Acceptable security for the Performance Bond is limited to a bond in a form satisfactory to the MHBE underwritten by a surety company authorized to do business in this State.

1.41.4 The Performance Bond shall be maintained throughout the term of this Contract, and renewal option periods, if exercised. Evidence of renewal of the Performance Bond and payment of the required premium shall be provided to the MHBE. This Performance Bond shall also secure liquidated damages.

1.41.5 The Performance Bond may be renewable annually. The Contractor shall provide to the MHBE, 30 days before the annual expiration of the Performance Bond, confirmation from the surety that the Performance Bond will be renewed for the following year. Failure to timely provide this notice shall constitute an event of default under the Contract. Such a default may be remedied if the Contractor obtains a replacement bond that conforms to the requirements of the Contract and provides that replacement bond to the MHBE prior to the expiration of the existing Performance Bond.

1.41.6 The cost of this Performance Bond is to be included in the total price proposed and is not to be proposed and will not be recoverable as a separate cost item.

1.41.7 After the first year of the Contract, the Contractor may request a reduction in the amount of the Performance Bond. The amount and the duration of the reduction, if any, will be in the MHBE’s sole discretion. If any reduction is granted, the MHBE shall have the right to increase the amount of the Performance Bond to any amount, up to the original amount, at any time and at the MHBE’s sole discretion.

SECTION 3 – SCOPE OF WORK

3.1 Background and Purpose

The mission of the Maryland Health Benefit Exchange (“MHBE”) is to make health coverage affordable and more accessible for the citizens of Maryland. MHBE is responsible for the Maryland Health Connection (MHC), the State’s health insurance marketplace under the Patient Protection and Affordable Care Act of 2010 (Pub. L. 111-148) as amended, including by the Health Care and Education Reconciliation Act of 2010 (Public Law No. 111-152), and all regulations promulgated pursuant thereto (the “ACA”).

The Maryland Health Benefit Exchange utilizes a Consolidated Service Center (CSC) to assist consumers seeking support in determining eligibility and enrollment for Qualified Health (QHP) and Stand Alone Dental Plans (SADP) and Medicaid insurance coverage.

The MHBE is issuing this solicitation to procure Consolidated Service Center operations support to ensure the successful enrollment into a qualified health plan, standalone dental plan or managed care organization (MCO). The Consolidated Service Center operations include but are not limited to: inbound call management, outbound calls, chat features, social media response support, Interactive Voice Response (IVR) provision and management, escalation support, telephony systems provision and management, quality assurance management, training and development, workforce management and reporting. In addition the Consolidated Service Center will assist Medicaid recipients with the selection of a primary care provider (PCP) and completion of a health assessment questionnaire.

3.2 Scope of Work

The following Scope of Work outlines the Exchange’s overall expectations. Potential Bidders will be asked to develop their own, more detailed approach in response to this RFP.

The Scope of Work of this RFP is for Consolidated Service Center support for the successful operations of the Maryland Health Connection, the Exchange’s individual health insurance marketplace. The successful Offeror shall provide Consolidated Service Center operations from the Go-Live Date through the Contract end date, including any option years, in compliance with all applicable State and federal laws in effect at the time the services are offered, including (a) the ACA and its regulations together with any regulations promulgated thereunder.

The following chart depicts monthly call volumes offered year over year since November 1, 2015 (Open Enrollment 2). Call volumes were unusually high during the months of November through March 2016 due to Medicaid redetermination migration to MHC. Call volumes stabilized to expected levels beginning in April of 2016.

The Contractor must have in place processes to monitor performance and must report its performance in accordance with the Service Level metrics provided herein. The Contract Manager and other state personnel designated by the MHBE shall actively participate with the Contractor to approve the results, request corrective actions, and assess liquidated damages if necessary. Invoicing and payments shall be administered in accordance with the process outline in Section 1.41. The MHBE reserves the right to introduce additional Service Level metrics following an initial baseline period after reasonable notice to the contractor.

MHBE agrees that Contractor will not be assessed liquidated damages for failure to meet a milestone or metric if the failure results from the unavailability of tools, or technologies to be provided by others but not available for use by Offeror. MHBE also agrees that Contractor will not be considered in breach and will not be assessed liquidated damages for failure to meet a SLA if the failure results from the staffing levels imposed on Contractor by the RFP.

Time is an essential element of the Contract and it is important that the work be vigorously performed until completion. For services that are not provided in accordance to the metrics specified in RFP Section 3.4.6 Service Level Measurements below, the Contractor shall be liable for liquidated damages in the amount provided for in this RFP, specifically RFP Section 3.8.

The parties agree that any assessment of liquidated damages shall be construed and treated by the parties not as imposing a penalty upon the Contractor, but as liquidated damages to compensate the MHBE for the Contractor’s failure to timely complete any Contract work,.

3.4.2 SLA Effective Date

Although the SLAs set forth herein shall be in effect beginning with the commencement of services as of

the NTP date, liquidated damages shall not be assessed for the first 120 days of the Contract. The Contractor shall be responsible for complying with all performance measurements, and shall also ensure compliance by all subcontractors.

The Contractor shall provide a monthly report, with submitted invoice, via email, to the Contract Monitor evidencing the attained level for each SLA set forth herein.

The MHBE, at its option, may deduct an amount due as liquidated damage from any money payable to the Contractor or may bill the Contractor as a separate item.

3.4.5 Root Cause Analysis

If the same SLA is not met more than once during one month, the Contractor shall conduct a root cause analysis. Such root cause analysis shall be provided upon request of the Contract Monitor.

Any failure of MHBE to exercise a remedy shall not be a waiver of any breach or non-performance by the Contractor nor shall it prevent MHBE from later exercising that or any other remedy.
- f) The Contract will be used by MHBE to monitor Contractor performance and will provide the basis for determining liquidated damages.

3.5.1 Liquidated Damages Assessment: Collections, Withholds

- a) Once MHBE has determined that liquidated damages are to be assessed, MHBE shall notify the Contractor of the assessment (or assessments). SECTION 5 – EVALUATION COMMITTEE, EVALUATION CRITERIA, AND SELECTION PROCEDURE

5.1 Evaluation Committee

Evaluation of Proposals will be performed in accordance with Section II.B of MHBE's Procurement Policies and Procedures by a committee established for that purpose and based on the evaluation criteria set forth below. The Evaluation Committee will review Proposals, participate in Offeror oral presentations and discussions, and provide input to the Procurement Officer.

5.2 Technical Proposal Evaluation Criteria

The criteria to be used to evaluate each Technical Proposal are listed below in descending order of importance.

5.2.1 Offeror's Technical Response to RFP Requirements and Work Plan (See RFP § 4.4.2.6)

The State prefers an Offeror's response to work requirements in the RFP that illustrates a comprehensive understanding of work requirements and mastery of the subject matter, including an explanation of how the work will be done. Proposals which include limited responses to work requirements such as "concur" or "will comply" will receive a lower ranking than those Proposals that demonstrate an understanding of the work requirements and include plans to meet or exceed them.

5.2.2 Offeror Qualifications and Capabilities, including proposed Subcontractors (See RFP § 4.4.2.9 – 4.4.2.15)

5.2.3 Experience and Qualifications of Proposed Staff (See RFP § 4.4.2.7 - 4.4.2.8)

5.3 Financial Proposal Evaluation Criteria

All Qualified Offerors (see Section 5.4.2.4) will be ranked from the lowest (most advantageous) to the highest (least advantageous) price based on the Total Proposal Price within the stated guidelines set forth in this RFP and as submitted on **Attachment F** - Financial Proposal Form.

5.4 Selection Procedures

5.4.1 General

The Contract will be awarded in accordance with the Competitive Sealed Proposals (CSP) method found at Section II.B of MHBE's Procurement Policies and Procedures. The Competitive Sealed Proposals method allows for the conducting of discussions and the revision of Proposals during these discussions. Therefore, the MHBE may conduct discussions with all Offerors that have submitted Proposals that are determined to be reasonably susceptible of being selected for Contract award or potentially so. However, the MHBE reserves the right to make an award without holding discussions.

In either case (i.e., with or without discussions), the State may determine an Offeror to be not responsible and/or an Offeror's Proposal to be not reasonably susceptible of being selected for award at any time after the initial closing date for receipt of Proposals and prior to Contract award. If the State finds an Offeror to be not responsible and/or an Offeror's Technical Proposal to be not reasonably susceptible of being selected for award, that Offeror's Financial Proposal will subsequently be returned if the Financial Proposal is unopened at the time of the determination.

5.4.2 Selection Process Sequence

5.4.2.1 A determination is made that the MDOT Certified MBE Utilization and Fair Solicitation Affidavit (**Attachment D-1A**) is included and is properly completed.

5.4.2.2 Technical Proposals are evaluated for technical merit and ranked. During this review, oral presentations and discussions may be held. The purpose of such discussions will be to assure a full understanding of the MHBE's requirements and the Offeror's ability to perform the services, as well as to facilitate arrival at a Contract that is most advantageous to the MHBE. Offerors will be contacted by the State as soon as any discussions are scheduled.

5.4.2.3 Offerors must confirm in writing any substantive oral clarifications of, or changes in, their Technical Proposals made in the course of discussions. Any such written clarifications or changes then become part of the Offeror's Technical Proposal. Technical Proposals are given a final review and ranked.

5.4.2.4 The Financial Proposal of each Qualified Offeror (a responsible Offeror determined to have submitted an acceptable Proposal) will be evaluated and ranked separately from the Technical evaluation. After a review of the Financial Proposals of Qualified Offerors, the Evaluation Committee or Procurement Officer may again conduct discussions to further evaluate the Offeror's entire Proposal.

5.4.2.5 When in the best interest of the MHBE, the Procurement Officer may permit Qualified

Offerors to revise their initial Proposals and submit, in writing, Best and Final Offers (BAFOs). The MHBE may make an award without issuing a request for a BAFO.

5.4.3 Award Determination

Upon completion of the Technical Proposal and Financial Proposal evaluations and rankings, each Contractor shall receive an overall ranking. The Procurement Officer will recommend award of the Contract to the responsible Offeror that submitted the Proposal determined to be the most advantageous to the MHBE. In making this most advantageous Proposal determination, technical factors will receive greater weight than financial factors.

5.5 Documents Required upon Notice of Recommendation for Contract Award

Upon receipt of a Notification of Recommendation for Contract Award, the following documents shall be completed, signed if applicable with original signatures, and submitted by the recommended awardee within five (5) Business Days, unless noted otherwise:

- a. Contract (**Attachment A**), see **RFP Section 1.24**

- f. Non-Exchange Entity Agreement (**Attachment J**), if applicable; see **RFP Section 1.37**

- 5.9 Without limiting the generality of the foregoing, neither Contractor nor any of its Subcontractors shall use any software or technology in a manner that will cause any patents, copyrights or other intellectual property which are owned or controlled by the State or any of its affiliates (or for which the State or any of its Subcontractors has received license rights) to become subject to any encumbrance or terms and conditions of any third-party or open source license (including, without limitation, any open source license listed on <http://www.opensource.org/licenses/alphabetical>) (each an "Open Source License"). These restrictions, limitations, exclusions and conditions shall apply even if the State or any of its Subcontractors becomes aware of or fails to act in a manner to address any violation or failure to comply therewith. - 6.5 Section 6 shall survive expiration of this Contract.

7. Loss of Data

In the event of loss of any State data or records where such loss is due to the intentional act or omission (any failures to act when Contractor has a duty to act) or negligence of the Contractor or any of its Subcontractors or agents, the Contractor shall be responsible for recreating such lost data in the manner and on the schedule set by the Contract Monitor. 8. Exclusive Use and Ownership

Contractor shall not use, sell, sub-lease, assign, give, or otherwise transfer to any third party any other information or material provided to Contractor by the Department or Agency or developed by Contractor relating to the Contract, except that Contractor may provide said information to any of its officers, employees and Subcontractors who Contractor requires to have said information for fulfillment of Contractor's obligations hereunder. Each officer, employee and/or Subcontractor to whom any of the Department or Agency's confidential information is to be disclosed shall be advised by Contractor of and bound by the confidentiality and intellectual property terms of this Contract.

9. Confidentiality

- 9.1 Subject to the Maryland Public Information Act and any other applicable laws, all confidential or proprietary information and documentation relating to either party (including without limitation, any information or data stored within the Contractor's computer systems) shall be held in absolute confidence by the other party. Each party shall, however, be permitted to disclose relevant confidential information to its officers, agents and employees to the extent that such disclosure is necessary for the performance of their duties under this Contract, provided the data may be collected, used, disclosed, stored and disseminated only as provided by and consistent with the law, including the ACA and 45 C.F.R. § 155.260, the Non-Exchange Entity Agreement referenced in

Section 11.2, below, and the Non-Disclosure Agreement incorporated into this Contract pursuant to Section 2.1, above. The provisions of this section shall not apply to information that (a) is lawfully in the public domain; (b) has been independently developed by the other party without violation of this Contract; (c) was already in the possession of such party; (d) was supplied to such party by a third party lawfully in possession thereof and legally permitted to further disclose the information; or (e) which such party is required to disclose by law.

9.2 More particularly, the Contractor agrees that its access to Personally identifiable Information under the Contract shall make it a “Non-Exchange Entity”, as that term is defined in 45 C.F.R. § 155.260(b)(1). The Contractor therefore shall keep information obtained in the course of this Contract confidential in compliance with the ACA, including, without limitation, 45 C.F.R. § 155.260, and the Non-Exchange Entity Agreement incorporated into this Contract pursuant to Section 2.1, above. The Contractor agrees further to comply with any applicable State and federal confidentiality requirements regarding collection, maintenance, and use of health, personally identifiable, and financial information. This obligation includes providing training and information to employees regarding confidentiality obligations as to personally identifiable, and financial information and securing acknowledgement of these obligations from employees to be involved in the Contract. This obligation further includes restricting use and disclosure of the records, generally providing safeguards against misuse of information, keeping a record of any disclosures of information, providing all necessary procedural and legal protection for any disclosures of information, promptly responding to any requests by the Agency for information about its privacy practices in general or with respect to a particular individual, modifying information as may be required by good professional practice as authorized by law, and otherwise providing good information management practices regarding all health, personally identifiable, and financial information.

9.3 Section 9 shall survive expiration or termination of this Contract.

10. Parent Company Guarantee (If Applicable)

[Corporate name of Parent Company] hereby guarantees absolutely the full, prompt and complete performance by "[Contractor]" of all the terms, conditions and obligations contained in this Contract, as it may be amended from time to time, including any and all exhibits that are now or may become incorporated hereunto, and other obligations of every nature and kind that now or may in the future arise out of or in connection with this Contract, including any and all financial commitments, obligations and liabilities. "[Corporate name of Parent Company]" may not transfer this absolute guaranty to any other person or entity without the prior express written approval of the State, which approval the State may grant, withhold, or qualify in its sole and absolute subjective discretion. "[Corporate name of Parent Company]" further agrees that if the State brings any claim, action, suit or proceeding against "[Contractor]", "[Corporate name of Parent Company]" may be named as a party, in its capacity as Absolute Guarantor.

11. Non-Hiring of Employees

No official or employee of the State, as defined under Md. Code Ann., General Provisions Article, § 5-101, whose duties as such official or employee include matters relating to or affecting the subject matter of this Contract, shall, during the pendency and term of this Contract and while serving as an official or employee of the State, become or be an employee of the Contractor or any entity that is a Subcontractor on this Contract.

12. Disputes

- 12.1 As used herein, a “claim” means a written demand or assertion by one of the parties seeking, as a legal right, the payment of money, adjustment, or interpretation of contract terms, or other relief, arising under or relating to this Contract. A voucher, invoice, or request for payment that is not in dispute when submitted is not a claim. However, if the submission subsequently is not acted upon in a reasonable time, or is disputed as to liability or amount, it may be converted to claim for the purpose of this clause.
- 12.2 Within thirty (30) days of when the Contractor knows or should have known of the basis for a claim relating to the Contract, it shall file a written notice of claim on its letterhead to the Procurement Officer. Contemporaneously with, or within sixty (60) days after filing the notice of claim, the Contractor shall submit the written claim to the Procurement Officer. The Procurement Officer shall issue a final, written decision on the claim as expeditiously as possible. Any final decision of the Procurement Officer may award a Contract claim only for those expenses incurred not more than thirty (30) days before the contractor initially filed its notice of claim.
- 12.3 If the final decision of the Procurement Officer grants the claim in part and denies the claim in part, the MHBE shall pay the Contractor the undisputed amount. Payment of the partial claim will not be construed as an admission of liability by the MHBE and does not preclude the MHBE from recovering the amount paid if a subsequent determination modifies the final decision.
- 12.4 Within thirty (30) days of receipt of the final decision of the Procurement Officer, the Contractor may file an appeal to the Executive Director of the MHBE for claims for monetary amounts less than \$75,000, and to the Board of Trustees for either claims for monetary amounts over \$75,000 or for claims involving non- monetary relief. If submitted to the Executive Director, a final decision resolving the appeal will be issued by the Executive Director. If submitted to the Board of Trustees, the Board of Trustees may determine that a hearing would assist in the resolution of any appeal. The Board of Trustees may elect to hold the hearing itself or may refer the matter for a hearing to a panel consisting of two or more members of the Board of Trustees or may refer the matter to a neutral decision maker. A final decision resolving the appeal will be issued by a vote of the Board of Trustees. The Contractor’s timely appeal to the Executive Director or the Board of Trustees shall be a strict condition precedent to the contractor pursuing any legal rights which it alleges or which may exist in any other forum.
- 12.5 Pending resolution of a claim, the Contractor shall proceed diligently with the performance of the Contract in accordance with the Procurement Officer’s decision.
- 12.6 Nothing in this section shall be construed to limit the MHBE’s right to withhold payments from the Contractor, assess liquidated damages against the Contractor, direct the Contractor to perform pursuant to the terms of the Contract or any written change order, or to exercise any other rights allowed by Contract or at law.

13. Maryland Law

- 13.1 This Contract shall be construed, interpreted, and enforced according to the laws of the State of Maryland.
- 13.2 The Md. Code Ann., Commercial Law Article, Title 22, Maryland Uniform Computer Information Transactions Act, does not apply to this Contract or to any purchase order or Notice to Proceed issued under this Contract.

13.3 Any and all references to the Maryland Code, Annotated contained in this Contract shall be construed to refer to such Code sections as are from time to time amended.

14. Multi-year Contracts Contingent Upon Appropriations

If the General Assembly fails to appropriate funds or if funds are not otherwise made available for continued performance for any fiscal period of this Contract succeeding the first fiscal period, this Contract shall be canceled automatically as of the beginning of the fiscal year for which funds were not appropriated or otherwise made available; provided, however, that this will not affect either the State's rights or the Contractor's rights under any termination clause in this Contract. The effect of termination of the Contract hereunder will be to discharge both the Contractor and the State of Maryland from future performance of the Contract, but not from their rights and obligations existing at the time of termination. The Contractor shall be reimbursed for the reasonable value of any nonrecurring costs incurred but not amortized in the price of the Contract. The State shall notify the Contractor as soon as it has knowledge that funds may not be available for the continuation of this Contract for each succeeding fiscal period beyond the first

15. Nondiscrimination in Employment

The Contractor agrees: (a) not to discriminate in any manner against an employee or applicant for employment because of race, color, religion, creed, age, sex, marital status, national origin, sexual orientation, sexual identity, ancestry, or disability of a qualified individual with a disability; (b) to include a provision similar to that contained in subsection (a), above, in any underlying subcontract except a subcontract for standard commercial supplies or raw materials; and (c) to post and to cause Subcontractors to post in conspicuous places available to employees and applicants for employment, notices setting forth the substance of this clause.

16. Contingent Fee Prohibition

The Contractor warrants that it has not employed or retained any person, partnership, corporation, or other entity, other than a bona fide employee, bona fide agent, bona fide salesperson, or commercial selling agency working for the business, to solicit or secure the Contract, and that the business has not paid or agreed to pay any person, partnership, corporation, or other entity, other than a bona fide employee, bona fide agent, bona fide salesperson, or commercial selling agency, any fee or any other consideration contingent on the making of this Contract.

17. Non-availability of Funding

If the General Assembly fails to appropriate funds or if funds are not otherwise made available for continued performance for any fiscal period of this Contract succeeding the first fiscal period, this Contract shall be canceled automatically as of the beginning of the fiscal year for which funds were not appropriated or otherwise made available; provided, however, that this will not affect either the State's rights or the Contractor's rights under any termination clause in this Contract. The effect of termination of the Contract hereunder will be to discharge both the Contractor and the State from future performance of the Contract, but not from their rights and obligations existing at the time of termination. The Contractor shall be reimbursed for the reasonable value of any nonrecurring costs incurred but not amortized in the price of the Contract. The State shall notify the Contractor as soon as it has knowledge that funds may not be available for the continuation of this Contract for each succeeding fiscal period beyond the first.

18. Termination for Cause

If the Contractor fails to fulfill its obligations under this Contract properly and on time, or otherwise

violates any provision of the Contract, the State may terminate the Contract by written notice to the Contractor. The notice shall specify the acts or omissions relied upon as cause for termination. All finished or unfinished work provided by the Contractor shall, at the State's option, become the State's property. The State shall pay the Contractor fair and equitable compensation for satisfactory performance prior to receipt of notice of termination, less the amount of damages caused by the Contractor's breach. If the damages are more than the compensation payable to the Contractor, the Contractor will remain liable after termination and the State can affirmatively collect damages. Termination hereunder, including the termination of the rights and obligations of the parties, shall be governed by the provisions of COMAR 21.07.01.11B.

19. Termination for Convenience

The performance of work under this Contract may be terminated by the State in accordance with this clause in whole, or from time to time in part, whenever the State shall determine that such termination is in the best interest of the State. The State will pay all reasonable costs associated with this Contract that the Contractor has incurred up to the date of termination, and all reasonable costs associated with termination of the Contract; provided, however, the Contractor shall not be reimbursed for any anticipatory profits that have not been earned up to the date of termination. Termination hereunder, including the determination of the rights and obligations of the parties, shall be governed by the provisions of COMAR 21.07.01.12A(2).

20. Suspension of Work

The Procurement Officer unilaterally may order the Contractor in writing to suspend, delay, or interrupt all or any part of its performance for such period of time as the Procurement Officer may determine to be appropriate for the convenience of the State..

21. Delays and Extensions of Time

21.1 The Contractor agrees to prosecute the work continuously and diligently and no charges or claims for damages shall be made by it for any delays, interruptions, interferences, or hindrances from any cause whatsoever during the progress of any portion of the work specified in this Contract.

21.2 Time extensions will be granted only for excusable delays that arise from unforeseeable causes beyond the control and without the fault or negligence of the Contractor, including but not restricted to, acts of God, acts of the public enemy, acts of the State in either its sovereign or contractual capacity, acts of another Contractor in the performance of a contract with the State, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, or delays of Subcontractors or suppliers arising from unforeseeable causes beyond the control and without the fault or negligence of either the Contractor or the Subcontractors or suppliers.

22. Suspension of Work

The State unilaterally may order the Contractor in writing to suspend, delay, or interrupt all or any part of its performance for such period of time as the Procurement Officer may determine to be appropriate for the convenience of the State.

23. Financial Disclosure

The Contractor shall comply with the provisions of Md. Code Ann., State Finance and Procurement Article, § 13-221, which requires that every person that enters into contracts, leases, or other agreements with the State or its agencies during a calendar year under which the business is to receive in the aggregate,

\$100,000 or more, shall within thirty (30) days of the time when the aggregate value of these contracts, leases or other agreements reaches \$100,000, file with the Secretary of the State certain specified information to include disclosure of beneficial ownership of the business.

24. Political Contribution Disclosure

The Contractor shall comply with Md. Code Ann., Election Law Article, Title 14, which requires that every person that enters into a contract for a procurement with the State, a county, or a municipal corporation, or other political subdivision of the State, during a calendar year in which the person receives a contract with a governmental entity in the amount of \$200,000 or more, shall, file with the State Board of Elections statements disclosing: (a) any contributions made during the reporting period to a candidate for elective office in any primary or general election; and (b) the name of each candidate to whom one or more contributions in a cumulative amount of \$500 or more were made during the reporting period. The statement shall be filed with the State Board of Elections: (a) before execution of a contract by the State, a county, a municipal corporation, or other political subdivision of the State, and shall cover the 24 months prior to when a contract was awarded; and (b) if the contribution is made after the execution of a contract, then twice a year, throughout the contract term, on: (i) February 5, to cover the six (6) month period ending January 31; and (ii) August 5, to cover the six (6) month period ending July 31. Additional information is available on the State Board of Elections website:

http://www.elections.state.md.us/campaign_finance/index.html.

25. Documents Retention and Inspection Clause

25.1 The Contractor and Subcontractors shall retain and maintain all records and documents relating to this Contract for a period of ten (10) years after final payment by the State hereunder or any applicable statute of limitations or federal retention requirements, whichever is longer, and shall make them available for inspection and audit by authorized representatives of the State, including the Procurement Officer or designee, at all reasonable times. All records related in any way to the Contract are to be retained for the entire time provided under this section. In the event of any audit, the Contractor shall provide assistance to the State, without additional compensation, to identify, investigate, and reconcile any audit discrepancies and/or variances.

25.2 This Section 25 shall survive expiration or termination of the Contract.

26. Compliance with Laws

The Contractor hereby represents and warrants that:

26.1 It is qualified to do business in the State and that it will take such action as, from time to time hereafter, may be necessary to remain so qualified;

26.2 It is not in arrears with respect to the payment of any monies due and owing the State, or any department or unit thereof, including but not limited to the payment of taxes and employee benefits, and that it shall not become so in arrears during the term of this Contract;

26.3 It shall comply with all federal, State and local laws, regulations, and ordinances applicable to its activities and obligations under this Contract; and

26.4 It shall obtain, at its expense, all licenses, permits, insurance, and governmental approvals, if any, necessary to the performance of its obligations under this Contract.

27. Cost and Price Certification

By submitting cost or price information, the Contractor certifies to the best of its knowledge that the information submitted is accurate, complete, and current as of the date of its Proposal.

The price under this Contract and any change order or modification hereunder, including profit or fee, shall be adjusted to exclude any significant price increases occurring because the Contractor furnished cost or price information which, as of the date of its Proposal, was inaccurate, incomplete, or not current.

28. Subcontracting; Assignment

The Contractor may not subcontract any portion of the services provided under this Contract without obtaining the prior written approval of the Procurement Officer, nor may the Contractor assign this Contract or any of its rights or obligations hereunder, without the prior written approval of the Procurement Officer provided, however, that a contractor may assign monies receivable under a contract after due notice to the State. Any subcontracts shall include such language as may be required in various clauses contained within this Contract, exhibits, and attachments. The Contract shall not be assigned until all approvals, documents, and affidavits are completed and properly registered. The State shall not be responsible for fulfillment of the Contractor's obligations to its Subcontractors.

29. Minority Business Enterprise Participation

29.1 An overall MBE Subcontractor participation goal and subgoals have been established for this procurement as described in section 1.33 of the RFP.

29.2 Liquidated Damages

(a) This Contract requires the Contractor to make good faith efforts to comply with the MBE Program and Contract provisions. The State and the Contractor acknowledge and agree that the State will incur damages, including but not limited to loss of goodwill, detrimental impact on economic development, and diversion of internal staff resources, if the Contractor does not make good faith efforts to comply with the requirements of the MBE Program and MBE Contract provisions. The parties further acknowledge and agree that the damages the State might reasonably be anticipated to accrue as a result of such lack of compliance are difficult to ascertain with precision.

(b) Therefore, upon a determination by the State that the Contractor failed to make good faith efforts to comply with one or more of the specified MBE Program requirements or Contract provisions, the Contractor agrees to pay liquidated damages to the State at the rates set forth below. The Contractor expressly agrees that the State may withhold payment on any invoices as a set-off against liquidated damages owed. The Contractor further agrees that for each specified violation, the agreed upon liquidated damages are reasonably proximate to the loss the State is anticipated to incur as a result of such violation.

(i) Failure to submit each monthly payment report in full compliance with COMAR 21.11.03.13B (3): \$37.00 per day until the monthly report is submitted as required.

(ii) Failure to include in its agreements with MBE Subcontractors a provision requiring submission of payment reports in full compliance with COMAR 21.11.03.13B (4): \$258.00 per MBE Subcontractor.

- (iii) Failure to comply with COMAR 21.11.03.12 in terminating, canceling, or changing the scope of work/value of a contract with an MBE Subcontractor and/or amendment of the MBE participation schedule: the difference between the dollar value of the MBE participation commitment on the MBE participation schedule for that specific MBE firm and the dollar value of the work performed by that MBE firm for the contract.
- (iv) Failure to meet the Contractor's total MBE participation goal and sub goal commitments: the difference between the dollar value of the total MBE participation commitment on the MBE participation schedule and the MBE participation actually achieved.
- (v) Failure to promptly pay all undisputed amounts to an MBE Subcontractor in full compliance with the prompt payment provisions of this Contract: \$37.00 per day until the undisputed amount due to the MBE Subcontractor is paid.

Notwithstanding the use of liquidated damages, the State reserves the right to terminate the Contract and exercise all other rights and remedies provided in the Contract or by law.

29.3 MBE Prompt Pay Requirements

To ensure compliance with certified MBE subcontract participation goals, the Department or Agency may, consistent with COMAR 21.11.03.13, take the following measures:

- (a) Verify that the certified MBEs listed in the MBE participation schedule actually are performing work and receiving compensation as set forth in the MBE participation schedule. This verification may include, as appropriate:
 - (i) Inspecting any relevant records of the Contractor;
 - (ii) Inspecting the jobsite; and
 - (iii) Interviewing Subcontractors and workers.
 - (iv) Verification shall include a review of:
 1. The Contractor's monthly report listing unpaid invoices over 30 days old from certified MBE Subcontractors and the reason for nonpayment; and
 2. The monthly report of each certified MBE Subcontractor, which lists payments received from the Contractor in the preceding 30 days and invoices for which the Subcontractor has not been paid.
- (b) If the Agency determines that the Contractor is in material noncompliance with MBE Contract provisions and refuses or fails to take the corrective action that the Agency requires, then the Agency may:
 - (i) Terminate the Contract;
 - (ii) Refer the matter to the Office of the Attorney General for appropriate action; or
 - (iii) Initiate any other specific remedy identified by this Contract.
- (c) Upon completion of the contract, but before final payment or release of retainage or both, the Contractor shall submit a final report, in affidavit form under the penalty of perjury, of all payments made to, or withheld from MBE Subcontractors.

30. Insurance Requirements

The Contractor shall maintain workers' compensation coverage, and property and casualty insurance as required in the RFP. The minimum limits of such policies must meet any minimum requirements established by law and the limits of insurance required by the RFP, and shall cover losses resulting from or arising out of Contractor action or inaction in the performance of services under the Contract by the Contractor, its agents, servants, employees or Subcontractors. Effective no later than the date of execution of the Contract, and continuing for the duration of the Contract term, and any applicable renewal periods, the Contractor shall maintain such insurance coverage and shall report such insurance annually or upon Contract renewal, whichever is earlier, to the Procurement Officer. The Contractor is required to notify the Procurement Officer in writing, if policies are cancelled or not renewed 35 days in advance of such cancellation and/or nonrenewal. Certificates of insurance evidencing this coverage shall be provided within five (5) days of notice of recommended award. All insurance policies shall be issued by a company properly authorized to do business in the State of Maryland. The State shall be named as an additional named insured on the property and casualty policy and as required in the RFP.

31. Liability

For breach of this Contract, negligence, misrepresentation, or any other contract or tort claim, Contractor shall be liable as follows:

- 31.1 For infringement of patents, copyrights, trademarks, service marks, and/or trade secrets, as provided in Section 5 of this Contract;
- 31.2 Without limitation for damages for bodily injury (including death) and damage to real property and tangible personal property; and
- 31.3 For all other claims, damages, losses, costs, expenses, suits, or actions in any way related to this Contract, regardless of the form Contractor's liability for third party claims arising under Section 6 of this Contract shall be unlimited if the State is not immune from liability for claims arising under Section 6.

32. Commercial Nondiscrimination

- 32.1 As a condition of entering into this Contract, Contractor represents and warrants that it will comply with the State's Commercial Nondiscrimination Policy, as described at Md. Code Ann., State Finance and Procurement Article, Title 19. As part of such compliance, Contractor may not discriminate on the basis of race, color, religion, ancestry or national origin, sex, age, marital status, sexual orientation, sexual identity, or on the basis of disability or other unlawful forms of discrimination in the solicitation, selection, hiring, or commercial treatment of Subcontractors, vendors, suppliers, or commercial customers, nor shall Contractor retaliate against any person for reporting instances of such discrimination. Contractor shall provide equal opportunity for Subcontractors, vendors, and suppliers to participate in all of its public sector and private sector subcontracting and supply opportunities, provided that this clause does not prohibit or limit lawful efforts to remedy the effects of marketplace discrimination that have occurred or are occurring in the marketplace. Contractor understands that a material violation of this clause shall be considered a material breach of this Contract and may result in termination of this Contract, disqualification of Contractor from participating in State contracts, or other sanctions. This clause is not enforceable by or for the benefit of, and creates no obligation to, any third party.
- 32.2 The Contractor shall include the above Commercial Nondiscrimination clause, or similar clause

approved by the MHBE, in all subcontracts.

32.3 As a condition of entering into this Contract, upon the request of the Commission on Civil Rights, and only after the filing of a complaint against Contractor under Md. Code Ann., State Finance and Procurement Article, Title 19, as amended from time to time, Contractor agrees to provide within sixty (60) days after the request a complete list of the names of all Subcontractors, vendors, and suppliers that Contractor has used in the past four (4) years on any of its contracts that were undertaken within the State of Maryland, including the total dollar amount paid by Contractor on each subcontract or supply contract. Contractor further agrees to cooperate in any investigation conducted by the State pursuant to the State’s Commercial Nondiscrimination Policy as set forth at Md. Code Ann., State Finance and Procurement Article, Title 19, and to provide any documents relevant to any investigation that are requested by the State. Contractor understands that violation of this clause is a material breach of this Contract and may result in contract termination, disqualification by the State from participating in State contracts, and other sanctions.

33. Contract Monitor and Procurement Officer

The work to be accomplished under this Contract shall be performed under the direction of the Contract Monitor. All matters relating to the interpretation of this Contract shall be referred to the Procurement Officer for determination.

B. CERTIFICATION REGARDING COMMERCIAL NONDISCRIMINATION

The undersigned Bidder/Offeror hereby certifies and agrees that the following information is correct: In preparing its Bid/Proposal on this project, the Bidder/Offeror has considered all Proposals submitted from qualified, potential Subcontractors and suppliers, and has not engaged in "discrimination" as defined in § 19-103 of the State Finance and Procurement Article of the Annotated Code of Maryland. "Discrimination" means any disadvantage, difference, distinction, or preference in the solicitation, selection, hiring, or commercial treatment of a vendor, Subcontractor, or commercial customer on the basis of race, color, religion, ancestry, or national origin, sex, age, marital status, sexual orientation, sexual identity, or on the basis of disability or any otherwise unlawful use of characteristics regarding the vendor's, supplier's, or commercial customer's employees or owners. "Discrimination" also includes retaliating against any person or other entity for reporting any incident of "discrimination". Without limiting any other provision of the solicitation on this project, it is understood that, if the certification is false, such false certification constitutes grounds for the State to reject the Bid/Proposal submitted by the Bidder/Offeror on this project, and terminate any contract awarded based on the Bid/Proposal. As part of its Bid/Proposal, the Bidder/Offeror herewith submits a list of all instances within the past 4 years where there has been a final adjudicated determination in a legal or administrative proceeding in the State of Maryland that the Bidder/Offeror discriminated against Subcontractors, vendors, suppliers, or commercial customers, and a description of the status or resolution of that determination, including any remedial action taken. Bidder/Offeror agrees to comply in all respects with the State's Commercial Nondiscrimination Policy as described under Title 19 of the State Finance and Procurement Article of the Annotated Code of Maryland.

B-1. CERTIFICATION REGARDING MINORITY BUSINESS ENTERPRISES.

The undersigned Bidder/Offeror hereby certifies and agrees that it has fully complied with the State Minority Business Enterprise Law, State Finance and Procurement Article, § 14-308(a)(2), Annotated Code of Maryland, which provides that, except as otherwise provided by law, a contractor may not identify a certified minority business enterprise in a Bid/Proposal and:

- (1) Fail to request, receive, or otherwise obtain authorization from the certified minority business enterprise to identify the certified minority Proposal;
- (2) Fail to notify the certified minority business enterprise before execution of the contract of its inclusion in the Bid/Proposal;
- (3) Fail to use the certified minority business enterprise in the performance of the contract; or
- (4) Pay the certified minority business enterprise solely for the use of its name in the Bid/Proposal.

Without limiting any other provision of the solicitation on this project, it is understood that if the certification is false, such false certification constitutes grounds for the State to reject the Bid/Proposal submitted by the Bidder/Offeror on this project, and terminate any contract awarded based on the Bid/Proposal.

.C. AFFIRMATION REGARDING BRIBERY CONVICTIONS

D. AFFIRMATION REGARDING OTHER CONVICTIONS

I FURTHER AFFIRM THAT:

Neither I, nor to the best of my knowledge, information, and belief, the above business, or any of its officers, directors, partners, controlling stockholders, or any of its employees directly involved in the business's contracting activities including obtaining or performing contracts with public bodies, has:

(1) Been convicted under state or federal statute of:

ATTACHMENTS D – MINORITY BUSINESS ENTERPRISE FORMS

MBE ATTACHMENT D-1A MBE UTILIZATION AND FAIR SOLICITATION AFFIDAVIT & MBE PARTICIPATION SCHEDULE - INSTRUCTIONS

PLEASE READ BEFORE COMPLETING THIS DOCUMENT

This form includes Instructions and the MBE Utilization and Fair Solicitation Affidavit & MBE Participation Schedule which must be submitted with the Bid/Proposal. If the Bidder/Offeror fails to accurately complete and submit this Affidavit and Schedule with the Bid or Proposal as required, the Procurement Officer shall deem the Bid non-responsive or shall determine that the Proposal is not reasonably susceptible of being selected for award.

1. Contractor shall structure its procedures for the performance of the work required in this Contract to attempt to achieve the minority business enterprise (MBE) Subcontractor participation goal stated in the Invitation for Bids or Request for Proposals. Contractor agrees to exercise good faith efforts to carry out the requirements set forth in these Instructions, as authorized by the Code of Maryland Regulations (COMAR) 21.11.03.
2. MBE Goals and Subgoals: Please review the solicitation for information regarding the Contract's MBE overall participation goals and subgoals. After satisfying the requirements for any established subgoals, the Contractor is encouraged to use a diverse group of Subcontractors and suppliers from any/all of the various MBE classifications to meet the remainder of the overall MBE participation goal.
3. MBE means a minority business enterprise that is certified by the Maryland Department of Transportation ("MDOT"). Only MBEs certified by MDOT may be counted for purposes of achieving the MBE participation goals. In order to be counted for purposes of achieving the MBE participation goals, the MBE firm, including an MBE Prime, must be MDOT-certified for the services, materials or supplies that it is committed to perform on the MBE Participation Schedule.
4. Please refer to the MDOT MBE Directory at www.mdot.state.md.us to determine if a firm is certified with the appropriate North American Industry Classification System ("NAICS") Code **and** the product/services description (specific product that a firm is certified to provide or specific areas of work that a firm is certified to perform). For more general information about NAICS, please visit www.naics.com. Only those specific products and/or services for which a firm is certified in the MDOT Directory can be used for purposes of achieving the MBE participation goals. **WARNING:** If the firm's NAICS Code is in **graduated status**, such services/products **may not be counted** for purposes of achieving the MBE participation goals. A NAICS Code is in the graduated status if the term "Graduated" follows the Code in the MDOT MBE Directory.
5. Guidelines Regarding MBE Prime Self-Performance: Please note that when a certified MBE firm participates as a Prime contractor on a Contract, a procurement agency may count the distinct, clearly defined portion of the work of the Contract that the certified MBE firm performs with its own workforce toward fulfilling up to, but no more than, fifty-percent (50%) of the MBE participation goal (overall), including up to one hundred percent (100%) of not more than one of the MBE participation subgoals, if any, established for the Contract.

- ✓ In order to receive credit for self-performance, an MBE Prime must be certified in the appropriate NAICS code to do the work and must list its firm in the MBE Participation Schedule, including the certification category under which the MBE Prime is self-performing and include information regarding the work it will self-perform.
 - ✓ For the remaining portion of the overall goal and the remaining subgoals, the MBE Prime must also identify on the MBE Participation Schedule the other certified MBE Subcontractors used to meet those goals or request a waiver.
 - ✓ These guidelines apply to the work performed by the MBE Prime that can be counted for purposes of meeting the MBE participation goals. These requirements do not affect the MBE Prime's ability to self-perform a greater portion of the work in excess of what is counted for purposes of meeting the MBE participation goals.
 - ✓ Please note that the requirements to meet the MBE participation overall goal and subgoals are distinct and separate. If the Contract has subgoals, regardless of MBE Prime's ability to self-perform up to 50% of the overall goal (including up to 100% of any subgoal), the MBE Prime must either commit to other MBEs for each of any remaining subgoals or request a waiver. As set forth in **Attachment D1-B** Waiver Guidance, the MBE Prime's ability to self-perform certain portions of the work of the Contract will not be deemed a substitute for the good faith efforts to meet any remaining subgoal or the balance of the overall goal.
 - ✓ In certain instances where the percentages allocated to MBE participation subgoals add up to more than 50% of the overall goal, the portion of self-performed work that an MBE Prime may count toward the overall goal may be limited to less than 50%. Please refer to GOMA's website (www.goma.maryland.gov) for the MBE Prime Regulations Q&A for illustrative examples.
6. Subject to items 1 through 5 above, when a certified MBE performs as a participant in a joint venture, a procurement agency may count a portion of the total dollar value of the Contract equal to the distinct, clearly-defined portion of the work of the contract that the certified MBE performs with its own workforce towards fulfilling the Contract goal, and not more than one of the Contract subgoals, if any.
 7. As set forth in COMAR 21.11.03.12-1, once the Contract work begins, the work performed by a certified MBE firm, including an MBE prime, can only be counted towards the MBE participation goal(s) if the MBE firm is performing a commercially useful function on the Contract. Please refer to COMAR 21.11.03.12-1 for more information regarding these requirements.
 8. If you have any questions as to whether a firm is certified to perform the specific services or provide specific products, please contact MDOT's Office of Minority Business Enterprise at 1-800-544-6056 or via email to mbe@mdot.state.md.us sufficiently prior to the submission due date.
 9. Worksheet: The percentage of MBE participation, calculated using the percentage amounts for all of the MBE firms listed on the Participation Schedule **MUST** at least equal the MBE participation goal **and** subgoals (if applicable) set forth in the solicitation. If a Bidder/Offeror is unable to achieve the MBE participation goal and/or any subgoals (if applicable), the Bidder/Offeror must request a waiver in Item 1 of the MBE Utilization and Fair Solicitation Affidavit (**Attachment D-1A**) or the Bid will be deemed not responsive, or the Proposal determined to be not susceptible of being selected for award. You may wish to use the Subgoal summary below to assist in calculating the percentages and confirm that you have met the applicable MBE participation goal and subgoals, if any.

PARTICIPATION SCHEDULE**

This MBE Utilization and Fair Solicitation Affidavit and MBE Participation Schedule must be completed in its entirety and included with the Bid/Proposal. If the Bidder/Offeror fails to accurately complete and submit this Affidavit and Schedule with the Bid or Proposal as required, the Procurement Officer shall deem the Bid non-responsive or shall determine that the Proposal is not reasonably susceptible of being selected for award.

In connection with the Bid/Proposal submitted in response to Solicitation No. MDM0031013850, I affirm the following:

1. MBE Participation (PLEASE CHECK ONLY ONE)

I acknowledge and intend to meet IN FULL both the overall certified Minority Business Enterprise (MBE) participation goal of 25% percent.

Therefore, I am not seeking a waiver pursuant to COMAR 21.11.03.11. I acknowledge that by checking the above box and agreeing to meet the stated goal and subgoal(s), if any, I must complete the MBE Participation Schedule (Item 4 below) in order to be considered for award.

OR

I conclude that I am unable to achieve the MBE participation goal and/or subgoals. I hereby request a waiver, in whole or in part, of the overall goal and/or subgoals. I acknowledge that by checking this box and requesting a partial waiver of the stated goal and/or one or more of the stated subgoal(s) if any, I must complete the MBE Participation Schedule (Item 4 below) for the portion of the goal and/or subgoal(s) if any, for which I am not seeking a waiver, in order to be considered for award.

2. Additional MBE Documentation

I understand that if I am notified that I am the apparent awardee or as requested by the Procurement Officer, I must submit the following documentation within 10 Business Days of receiving notice of the potential award or from the date of conditional award (per COMAR 21.11.03.10), whichever is earlier:

- (a) Good Faith Efforts Documentation to Support Waiver Request (**Attachment D-1C**)
- (b) Outreach Efforts Compliance Statement (**Attachment D-2**);
- (c) MBE Subcontractor/MBE Prime Project Participation Statement (**Attachments D-3A/B**);
- (d) Any other documentation, including additional waiver documentation if applicable, required by the Procurement Officer to ascertain Bidder or Offeror responsibility in connection with the certified MBE participation goal, if any.

I understand that if I fail to return each completed document within the required time, the Procurement Officer may determine that I am not responsible and therefore not eligible for contract award. If the

Contract has already been awarded, the award is voidable.

3. Information Provided to MBE firms

In the solicitation of subcontract quotations or offers, MBE firms were provided not less than the same information and amount of time to respond as were non-MBE firms.

4. MBE Participation Schedule

Set forth below are the (i) certified MBEs I intend to use, (ii) the percentage of the total Contract amount allocated to each MBE for this project and, (iii) the items of work each MBE will provide under the Contract. I have confirmed with the MDOT database that the MBE firms identified below (including any self-performing MBE prime firms) are performing work activities for which they are MDOT certified.

I. Definitions

MBE Goal(s) – “MBE Goal(s)” refers to the MBE participation goal and MBE participation subgoal(s).

Good Faith Efforts – The “Good Faith Efforts” requirement means that when requesting a waiver, the Bidder/Offeror must demonstrate that it took all necessary and reasonable steps to achieve the MBE Goal(s), which, by their scope, intensity, and appropriateness to the objective, could reasonably be expected to obtain sufficient MBE participation, even if those steps were not fully successful. Whether a Bidder/Offeror that requests a waiver made adequate good faith efforts will be determined by considering the quality, quantity, and intensity of the different kinds of efforts that the Bidder/Offeror has made. The efforts employed by the Bidder/Offeror should be those that one could reasonably expect a Bidder/Offeror to take if the Bidder/Offeror were actively and aggressively trying to obtain MBE participation sufficient to meet the MBE contract goal and subgoals. Mere *pro forma* efforts are not good faith efforts to meet the MBE contract requirements. The determination concerning the sufficiency of the Bidder's/Offeror's good faith efforts is a judgment call; meeting quantitative formulas is not required.

Identified Firms – “Identified Firms” means a list of the MBEs identified by the procuring agency during the goal setting process and listed in the procurement as available to perform the Identified Items of Work. It also may include additional MBEs identified by the Bidder/Offeror as available to perform the Identified Items of Work, such as MBEs certified or granted an expansion of services after the procurement was issued. If the procurement does not include a list of Identified Firms, this term refers to all of the MBE Firms (if State-funded) the Bidder/Offeror identified as available to perform the Identified Items of Work and should include all appropriately certified firms that are reasonably identifiable.

Identified Items of Work – “Identified Items of Work” means the Bid/Proposal items identified by the procuring agency during the goal setting process and listed in the procurement as possible items of work for performance by MBE Firms. It also may include additional portions of items of work the Bidder/Offeror identified for performance by MBE Firms to increase the likelihood that the MBE Goal(s) will be achieved. If the procurement does not include a list of Identified Items of Work, this term refers to all of the items of work the Bidder/Offeror identified as possible items of work for performance by MBE Firms and should include all reasonably identifiable work opportunities.

MBE Firms – “MBE Firms” refers to a firm certified by the Maryland Department of Transportation (“MDOT”) under COMAR 21.11.03. Only MDOT-certified MBE Firms can participate in the State’s MBE Program.

II. Types of Actions Agency will Consider

The Bidder/Offeror is responsible for making relevant portions of the work available to MBE Subcontractors and suppliers and to select those portions of the work or material needs consistent with the available MBE Subcontractors and suppliers, so as to facilitate MBE participation. The following is a list of types of actions the procuring agency will consider as part of the Bidder's/Offeror's Good Faith Efforts when the Bidder/Offeror fails to meet the MBE Goal(s). This list is not intended to be a mandatory checklist, nor is it intended to be exclusive or exhaustive. Other factors or types of efforts may be relevant in appropriate cases.

A. Identify Bid/Proposal Items as Work for MBE Firms

1. Identified Items of Work in Procurements

(a) Certain procurements will include a list of Bid/Proposal items identified during the goal setting process as possible work for performance by MBE Firms. If the procurement provides a list of Identified Items of Work, the Bidder/Offeror shall make all reasonable efforts to solicit quotes from MBE Firms to perform that work.

(b) Bidders/Offerors may, and are encouraged to, select additional items of work to be performed by MBE Firms to increase the likelihood that the MBE Goal(s) will be achieved.

2. Identified Items of Work by Bidders/Offerors

(a) When the procurement does not include a list of Identified Items of Work or for additional Identified Items of Work, Bidders/Offerors should reasonably identify sufficient items of work to be performed by MBE Firms.

(b) Where appropriate, Bidders/Offerors should break out contract work items into economically feasible units to facilitate MBE participation, rather than perform these work items with their own forces. The ability or desire of a Prime contractor to perform the work of a contract with its own organization does not relieve the Bidder/Offeror of the responsibility to make Good Faith Efforts.

B. Identify MBE Firms to Solicit

1. MBE Firms Identified in Procurements

(a) Certain procurements will include a list of the MBE Firms identified during the goal setting process as available to perform the items of work. If the procurement provides a list of Identified MBE Firms, the Bidder/Offeror shall make all reasonable efforts to solicit those MBE firms.

(b) Bidders/offerors may, and are encouraged to, search the MBE Directory to identify additional MBEs who may be available to perform the items of work, such as MBEs certified or granted an expansion of services after the solicitation was issued.

2. MBE Firms Identified by Bidders/Offerors

(a) When the procurement does not include a list of Identified MBE Firms, Bidders/Offerors should

reasonably identify the MBE Firms that are available to perform the Identified Items of Work.

(b) Any MBE Firms identified as available by the Bidder/Offeror should be certified to perform the Identified Items of Work.

C. Solicit MBEs

1. Solicit all Identified Firms for all Identified Items of Work by providing written notice. The Bidder/Offeror should:

(a) provide the written solicitation at least 10 days prior to Bid/Proposal opening to allow sufficient time for the MBE Firms to respond;

(b) send the written solicitation by first-class mail, facsimile, or email using contact information in the MBE Directory, unless the Bidder/Offeror has a valid basis for using different contact information; and

(c) provide adequate information about the plans, specifications, anticipated time schedule for portions of the work to be performed by the MBE, and other requirements of the contract to assist MBE Firms in responding. (This information may be provided by including hard copies in the written solicitation or by electronic means as described in C.3 below.)

2. “All” Identified Firms includes the MBEs listed in the procurement and any MBE Firms you identify as potentially available to perform the Identified Items of Work, but it does not include MBE Firms who are no longer certified to perform the work as of the date the Bidder/Offeror provides written solicitations.

3. “Electronic Means” includes, for example, information provided *via* a website or file transfer protocol (FTP) site containing the plans, specifications, and other requirements of the contract. If an interested MBE cannot access the information provided by electronic means, the Bidder/Offeror must make the information available in a manner that is accessible to the interested MBE.

4. Follow up on initial written solicitations by contacting MBEs to determine if they are interested. The follow up contact may be made:

(a) by telephone using the contact information in the MBE Directory, unless the Bidder/Offeror has a valid basis for using different contact information; or

(b) in writing *via* a method that differs from the method used for the initial written solicitation.

5. In addition to the written solicitation set forth in C.1 and the follow up required in C.4, use all other reasonable and available means to solicit the interest of MBE Firms certified to perform the work of the contract. Examples of other means include:

(a) attending any pre-bid meetings at which MBE Firms could be informed of contracting and subcontracting opportunities; and

(b) if recommended by the procurement, advertising with or effectively using the services of at least two minority focused entities or media, including trade associations, minority/women community organizations, minority/women contractors' groups, and local, state, and federal minority/women business assistance offices listed on the MDOT Office of Minority Business Enterprise website.

D. Negotiate With Interested MBE Firms

Bidders/Offerors must negotiate in good faith with interested MBE Firms.

1. Evidence of negotiation includes, without limitation, the following:

(a) the names, addresses, and telephone numbers of MBE Firms that were considered;

(b) a description of the information provided regarding the plans and specifications for the work selected for subcontracting and the means used to provide that information; and

(c) evidence as to why additional agreements could not be reached for MBE Firms to perform the work.

2. A Bidder/Offeror using good business judgment would consider a number of factors in negotiating with Subcontractors, including MBE Subcontractors, and would take a firm's price and capabilities as well as contract goals into consideration.

3. The fact that there may be some additional costs involved in finding and using MBE Firms is not in itself sufficient reason for a Bidder's/Offeror's failure to meet the contract MBE goal(s), as long as such costs are reasonable. Factors to take into consideration when determining whether an MBE Firm's quote is excessive or unreasonable include, without limitation, the following:

(a) the dollar difference between the MBE Subcontractor's quote and the average of the other Subcontractors' quotes received by the Bidder/Offeror;

(b) the percentage difference between the MBE Subcontractor's quote and the average of the other Subcontractors' quotes received by the Bidder/Offeror;

(c) the percentage that the MBE Subcontractor's quote represents of the overall contract amount;

(d) the number of MBE firms that the Bidder/Offeror solicited for that portion of the work;

(e) whether the work described in the MBE and Non-MBE Subcontractor quotes (or portions thereof) submitted for review is the same or comparable; and

(f) the number of quotes received by the Bidder/Offeror for that portion of the work.

4. The above factors are not intended to be mandatory, exclusive, or exhaustive, and other evidence of an excessive or unreasonable price may be relevant.

5. The Bidder/Offeror may not use its price for self-performing work as a basis for rejecting an MBE Firm's quote as excessive or unreasonable.

6. The "average of the other Subcontractors' quotes received" by the Bidder/Offeror refers to the average of the quotes received from all Subcontractors. Bidder/Offeror should attempt to receive quotes from at least three Subcontractors, including one quote from an MBE and one quote from a Non-MBE.

7. A Bidder/Offeror shall not reject an MBE Firm as unqualified without sound reasons based on a

thorough investigation of the firm's capabilities. For each certified MBE that is rejected as unqualified or that placed a subcontract quotation or offer that the Bidder/Offeror concludes is not acceptable, the Bidder/Offeror must provide a written detailed statement listing the reasons for this conclusion. The Bidder/Offeror also must document the steps taken to verify the capabilities of the MBE and Non-MBE Firms quoting similar work.

(a) The factors to take into consideration when assessing the capabilities of an MBE Firm, include, but are not limited to the following: financial capability, physical capacity to perform, available personnel and equipment, existing workload, experience performing the type of work, conduct and performance in previous contracts, and ability to meet reasonable contract requirements.

(b) The MBE Firm's standing within its industry, membership in specific groups, organizations, or associations and political or social affiliations (for example union vs. non-union employee status) are not legitimate causes for the rejection or non-solicitation of bids in the efforts to meet the project goal.

E. Assisting Interested MBE Firms

When appropriate under the circumstances, the decision-maker will consider whether the Bidder/Offeror:

1. made reasonable efforts to assist interested MBE Firms in obtaining the bonding, lines of credit, or insurance required by the procuring agency or the Bidder/Offeror; and
2. made reasonable efforts to assist interested MBE Firms in obtaining necessary equipment, supplies, materials, or related assistance or services.

III. Other Considerations

In making a determination of Good Faith Efforts the decision-maker may consider engineering estimates, catalogue prices, general market availability and availability of certified MBE Firms in the area in which the work is to be performed, other bids or offers and subcontract bids or offers substantiating significant variances between certified MBE and Non-MBE costs of participation, and their impact on the overall cost of the contract to the State and any other relevant factors.

The decision-maker may take into account whether a Bidder/Offeror decided to self-perform subcontract work with its own forces, especially where the self-performed work is Identified Items of Work in the procurement. The decision-maker also may take into account the performance of other Bidders/Offerors in meeting the contract. For example, when the apparent successful Bidder/Offeror fails to meet the contract goal, but others meet it, this reasonably raises the question of whether, with additional reasonable efforts, the apparent successful Bidder/Offeror could have met the goal. If the apparent successful Bidder/Offeror fails to meet the goal, but meets or exceeds the average MBE participation obtained by other Bidders/Offerors, this, when viewed in conjunction with other factors, could be evidence of the apparent successful Bidder/Offeror having made Good Faith Efforts.

IV. Documenting Good Faith Efforts

At a minimum, a Bidder/Offeror seeking a waiver of the MBE Goal(s) or a portion thereof must provide written documentation of its Good Faith Efforts, in accordance with COMAR 21.11.03.11, within 10 Business Days after receiving notice that it is the apparent awardee. The written documentation shall include the following:

A. Items of Work (Complete Good Faith Efforts Documentation Attachment D-1C, Part 1)

A detailed statement of the efforts made to select portions of the work proposed to be performed by certified MBE Firms in order to increase the likelihood of achieving the stated MBE Goal(s).

B. Outreach/Solicitation/Negotiation

1. The record of the Bidder's/Offeror's compliance with the outreach efforts prescribed by COMAR 21.11.03.09C(2)(a). **(Complete Outreach Efforts Compliance Statement – Attachment D-2).**

2. A detailed statement of the efforts made to contact and negotiate with MBE Firms including:

(a) the names, addresses, and telephone numbers of the MBE Firms who were contacted, with the dates and manner of contacts (letter, fax, email, telephone, etc.) **(Complete Good Faith Efforts Attachment D-1C- Part 2, and submit letters, fax cover sheets, emails, etc. documenting solicitations);** and

(b) a description of the information provided to MBE Firms regarding the plans, specifications, and anticipated time schedule for portions of the work to be performed and the means used to provide that information.

C. Rejected MBE Firms (Complete Good Faith Efforts Attachment D-1C, Part 3)

1. For each MBE Firm that the Bidder/Offeror concludes is not acceptable or qualified, a detailed statement of the reasons for the Bidder's/Offeror's conclusion, including the steps taken to verify the capabilities of the MBE and Non-MBE Firms quoting similar work.

2. For each certified MBE Firm that the Bidder/Offeror concludes has provided an excessive or unreasonable price, a detailed statement of the reasons for the Bidder's/Offeror's conclusion, including the quotes received from all MBE and Non-MBE firms bidding on the same or comparable work. **(Include copies of all quotes received.)**

3. A list of MBE Firms contacted but found to be unavailable. This list should be accompanied by an MBE Unavailability Certificate (see **D-1B - Exhibit A** to this Part 1) signed by the MBE contractor or a statement from the bidder/offeror that the MBE contractor refused to sign the MBE Unavailability Certificate.

D. Other Documentation

1. Submit any other documentation requested by the Procurement Officer to ascertain the Bidder's/Offeror's Good Faith Efforts.

2. Submit any other documentation the Bidder/Offeror believes will help the Procurement Officer ascertain its Good Faith Efforts.

PART 1 – IDENTIFIED ITEMS OF WORK BIDDER/OFFEROR MADE AVAILABLE TO MBE FIRMS

PAGE __ OF __

Prime Contractor	Project Description	Solicitation Number

Identify those items of work that the Bidder/Offeror made available to MBE Firms. This includes, where appropriate, those items the Bidder/Offeror identified and determined to subdivide into economically feasible units to facilitate the MBE participation. For each item listed, show the anticipated percentage of the total contract amount. It is the Bidder's/Offeror's responsibility to demonstrate that sufficient work to meet the goal was made available to MBE Firms, and the total percentage of the items of work identified for MBE participation equals or exceeds the percentage MBE goal set for the procurement. Note: If the procurement includes a list of Bid/Proposal items identified during the goal setting process as possible items of work for performance by MBE Firms, the Bidder/Offeror should make all of those items of work available to MBE Firms or explain why that item was not made available. If the Bidder/Offeror selects additional items of work to make available to MBE Firms, those additional items should also be included below.

Identify the MBE Firms solicited to provide quotes for the Identified Items of Work made available for MBE participation. Include the name of the MBE Firm solicited, items of work for which bids/quotes were solicited, date and manner of initial and follow-up solicitations, whether the MBE provided a quote, and whether the MBE is being used to meet the MBE participation goal. MBE Firms used to meet the participation goal must be included on the MBE Participation Schedule. Note: If the procurement includes a list of the MBE Firms identified during the goal setting process as potentially available to perform the items of work, the Bidder/Officer should solicit all of those MBE Firms or explain why a specific MBE was not solicited. If the Bidder/Officer identifies additional MBE Firms who may be available to perform Identified Items of Work, those additional MBE Firms should also be included below. Copies of all written solicitations and documentation of follow-up calls to MBE Firms must be attached to this form. This list should be accompanied by a Minority Contractor Unavailability Certificate signed by the MBE contractor or a statement from the Bidder/Officer that the MBE contractor refused to sign the Minority Contractor Unavailability Certificate (see **Attachment D-1B – Exhibit A**). If the Bidder/Officer used a Non-MBE or is self-performing the identified items of work, Part 3 must be completed.

ATTACHMENT G - FEDERAL FUNDS ATTACHMENT

[Reference, among other provisions, 45 C.F.R. § 75.335]

In addition to other provisions required by the RFP and Contract related to the federal funds that may be included in any Contract to be awarded as a result of this RFP, the following provisions are applicable:

A. Contracts for more than the simplified acquisition threshold currently set at \$150,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

B. All contracts in excess of \$10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be effected and the basis for settlement.

C. Debarment and Suspension (Executive Orders 12549 and 12689) (see 2 CFR 180.220 and 45 CFR 75.212) A party listed on the government-wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR part 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), “Debarment and Suspension” is not eligible for award under this RFP. SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549. Any Contractor awarded a Contract as a result of this RFP is responsible for ensuring that any party with which it subcontracts is not debarred or suspended and is in full compliance with the executive orders and federal regulations cited in this paragraph.

D. Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)—Contractors that apply or bid for an award exceeding \$100,000 must file the required attached certification. Each tier (including the Contractor and any subcontractor(s)) certifies to the tier above that it will not and has not used federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-federal awardee (which, in this case, is the State of Maryland).

1. *Form and rule:* All prospective and present contractors and subcontractors (this includes all levels of funding) who receive more than \$100,000 in federal funds must submit the attached form “Certification Against Lobbying.” It assures, generally, that contractors and subcontractors receiving federal funds will not lobby federal entities with federal funds, and that, as is required, they will disclose other lobbying on form SF-111.

2. *Form and instructions:* “Form LLL, Disclosure of Lobbying Activities” must be submitted by those receiving more than \$100,000 in federal funds, to disclose any lobbying of federal entities (a) with profits from federal contracts or (b) funded with nonfederal funds.

E. Section 504 of the Rehabilitation Act of 1973. Any Contractor awarded a Contract as a result of this RFP certifies that it will comply with Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. § 791 *et seq.*), and all regulations promulgated thereunder. Section 504 prohibits discrimination on the basis of handicap in all federally assisted programs and activities. It requires the analysis and making of any changes needed in three general areas of operation— programs, activities, and facilities and employment. It states, among other things, that: *Grantees that provide health ... services should undertake tasks such as ensuring emergency treatment for the hearing impaired and making certain that persons with impaired sensory or speaking skills are not denied effective notice with regard to benefits, services, and waivers of rights or consents to treatments.*

F. Age Discrimination Act of 1975. Any Contractor awarded a Contract as a result of this RFP certifies that it shall not discriminate on the basis of Age, according to the requirements of the Age Discrimination Act of 1975.

G. Title VI of the Civil Rights Act of 1964. Any Contractor awarded a Contract are a result of this RFP certifies that it shall comply with Title VI of the Civil Rights Act of 1964 and shall not discriminate in participation by race, color, or national origin.

H. Section 1557 of the ACA. Any Contractor awarded a Contract as a result of this RFP certifies that it shall comply with Section 1557 of the Affordable Care Act (42 U.S.C. § 18116) and any regulations promulgated thereunder. Section 1557 prohibits discrimination on the basis of race, color, national origin, sex, age, or disability in certain health programs or activities. Section 1557 further provides that, except as provided in Title I or the Patient Protection and Affordable Care Act (as amended, the ACA), an individual shall not, on the grounds prohibited under Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, the Age Discrimination Act of 1975, or Section 504 of the Rehabilitation Act of 1973, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any health program or activity, any part of which is receiving federal financial assistance or any program or activity that is administered by any entity (such as MHBE) established under Title I of the ACA.

ATTACHMENT I – NON-DISCLOSURE AGREEMENT

THIS NON-DISCLOSURE AGREEMENT (“Agreement”) is made by and between the Maryland Health Benefit Exchange (“MHBE”) , and _____ (the “Contractor”).

RECITALS

WHEREAS, the Contractor has been awarded a contract (the “Contract”) following the solicitation for Systems Operations Support for the HBX, Solicitation #MDM0031023850 (the “RFP”); and

WHEREAS, in order for the Contractor to perform the work required under the Contract, it will be necessary for the State at times to provide the Contractor and the Contractor’s employees, agents, and Subcontractors (collectively the “Contractor’s Personnel”) with access to certain information the State deems confidential information (the “Confidential Information”).

NOW, THEREFORE, in consideration of being given access to the Confidential Information in connection with the solicitation and the Contract, and for other good and valuable consideration, the receipt and sufficiency of which the parties acknowledge, the parties do hereby agree as follows:

1. Regardless of the form, format, or media on or in which the Confidential Information is provided and regardless of whether any such Confidential Information is marked as such, Confidential Information means (1) any and all information provided by or made available by the State to the Contractor in connection with the Contract and (2) any and all Personally Identifiable Information (PII) (including but not limited to personal information as defined in Md. Ann. Code, State Govt. §10-1301), PII protected under 45 C.F.R. § 155.260 and Protected Health Information (PHI) that is provided by a person or entity to the Contractor in connection with this Contract. Confidential Information includes, by way of example only, information that the Contractor views, takes notes from, copies (if the State agrees in writing to permit copying), possesses or is otherwise provided access to and use of by the State in relation to the Contract.
2. Contractor shall not, without the MHBE’s prior written consent, copy, disclose, publish, release, transfer, disseminate, use, or allow access for any purpose or in any form, any Confidential Information except for the sole and exclusive purpose of performing under the Contract. Contractor shall limit access to the Confidential Information to the Contractor’s Personnel who have a demonstrable need to know such Confidential Information in order to perform under the Contract and who have agreed in writing to be bound by the disclosure and use limitations pertaining to the Confidential Information. The names of the Contractor’s Personnel are attached hereto and made a part hereof as ATTACHMENT I-1. Contractor shall update ATTACHMENT I-1 by adding additional names (whether Contractor’s personnel or a subcontractor’s personnel) as needed, from time to time.
3. If the Contractor intends to disseminate any portion of the Confidential Information to non-employee agents who are assisting in the Contractor’s performance of the Contract or who will otherwise have a role in performing any aspect of the Contract, the Contractor shall first obtain the written consent of the State to any such dissemination. The State may grant, deny, or condition any such consent, as it may deem appropriate in its sole and absolute subjective discretion.
4. Contractor hereby agrees to hold the Confidential Information in trust and in strictest confidence, to adopt or establish operating procedures and physical security measures, and to take all other measures

necessary to protect the Confidential Information from inadvertent release or disclosure to unauthorized third parties and to prevent all or any portion of the Confidential Information from falling into the public domain or into the possession of persons not bound to maintain the confidentiality of the Confidential Information, including those set forth in the Non-Exchange Entity Agreement between the Parties pursuant to the above RFP (the “Non-Exchange Entity Agreement”). For the avoidance of doubt, should any provisions of this Non-Disclosure Agreement conflict with those in the Non-Exchange Entity Agreement, the provisions of the Non-Exchange Entity Agreement shall control.

5. Contractor shall promptly advise the MHBE if it learns of any unauthorized use, misappropriation, or disclosure of the Confidential Information by any of the Contractor’s Personnel or the Contractor’s former Personnel. Contractor shall, at its own expense, cooperate with the State in seeking injunctive or other equitable relief against any such person(s). Should the Confidential Information constitute PII, as that term is defined in the Non-Exchange Entity Agreement, Contractor shall follow the procedures set forth therein for notifying the MHBE. Should the Confidential Information be other than PII, the Contractor shall notify the MHBE in writing.
6. Contractor shall, at its own expense, return to the MHBE all copies of the Confidential Information in its care, custody, control or possession upon request of the MHBE or on termination of the Contract. Should the Confidential Information constitute PII, the Contractor shall comply with the provisions of the Non-Exchange Entity Agreement regarding preservation, return or deletion of the Confidential Information. Unless otherwise instructed by the MHBE’s Chief Compliance Officer, Contractor shall complete and submit ATTACHMENT I-2 when returning the Confidential Information to the MHBE. Contractor agrees it shall cooperate with the MHBE’ Chief Compliance Officer with respect to whether to delete or retain, for the period specified in the Contract or required by applicable law, any Confidential Information stored electronically or otherwise held by the Contractor.
7. A breach of this Agreement by the Contractor or by the Contractor’s Personnel shall constitute a breach of the Contract between the Contractor and the State.
8. Contractor acknowledges that any failure by the Contractor or the Contractor’s Personnel to abide by the terms and conditions of use of the Confidential Information may cause irreparable harm to the State and that monetary damages may be inadequate to compensate the State for such breach. Accordingly, the Contractor agrees that the State may obtain an injunction to prevent the disclosure, copying or improper use of the Confidential Information. The Contractor consents to personal jurisdiction in the Maryland State Courts. The State’s rights and remedies hereunder are cumulative and the State expressly reserves any and all rights, remedies, claims and actions that it may have now or in the future to protect the Confidential Information and to seek damages from the Contractor and the Contractor’s Personnel for a failure to comply with the requirements of this Agreement. In the event the State suffers any losses, damages, liabilities, expenses, or costs (including, by way of example only, attorneys’ fees and disbursements) that are attributable, in whole or in part to any failure by the Contractor or any of the Contractor’s Personnel to comply with the requirements of this Agreement, the Contractor shall hold harmless and indemnify the State from and against any such losses, damages, liabilities, expenses, and costs.
9. Contractor and each of the Contractor’s Personnel who receive or have access to any Confidential Information shall execute a copy of an agreement substantially similar to this Agreement, in no event less restrictive than as set forth in this Agreement, and the Contractor shall provide originals of such executed Agreements to the State.
10. The parties further agree that:
 - a. This Agreement shall be governed by the laws of the State of Maryland;

- b. The rights and obligations of the Contractor under this Agreement may not be assigned or delegated, by operation of law or otherwise, without the prior written consent of the MHBE;
- c. The State makes no representations or warranties as to the accuracy or completeness of any Confidential Information;
- d. The invalidity or unenforceability of any provision of this Agreement shall not affect the validity or enforceability of any other provision of this Agreement;
- e. Signatures exchanged by facsimile are effective for all purposes hereunder to the same extent as original signatures;
- f. The Recitals are not merely prefatory but are an integral part hereof; and
- g. The effective date of this Agreement shall be the same as the effective date of the Contract entered into by the parties.

IN WITNESS WHEREOF, the parties have, by their duly authorized representatives, executed this Agreement as of the day and year first above written.

WHEREAS, the Non-Exchange Entity has been notified of award or awarded a contract (the “Underlying Agreement”) pursuant to the RFP; and

WHEREAS, the execution of this Agreement is required pursuant to the RFP, which is incorporated into the Underlying Agreement and is a part thereof; and

WHEREAS, MHBE and the Non-Exchange Entity enter into this Agreement effective as of the effective date of the Underlying Agreement (the “Effective Date”), pursuant to which the Non-Exchange Entity shall provide services to perform the functions set forth in the Underlying Agreement, as well as in any subsequent Task Orders issued pursuant to the Underlying Agreement; and

WHEREAS, the contractual relationship between MHBE and the Non-Exchange Entity set forth in the Underlying Agreement may involve access to Personally Identifiable Information (“PII”), as that term is defined herein, for purposes authorized under the ACA and, more particularly, under 45 C.F.R. § 155.200; and

WHEREAS, the Non-Exchange Entity’s access to PII submitted to the Exchange shall make the entity a “Non-Exchange Entity”, as that term is defined in 45 C.F.R. § 155.260(b)(1); and

WHEREAS, for good and lawful consideration as set forth in the Underlying Agreement, MHBE and the Non-Exchange Entity each acknowledge and agree that they enter into this Agreement for the purposes, among others as may be detailed herein, of ensuring the confidentiality, privacy and security of data accessed by the Non-Exchange Entity or exchanged between the Parties under this Agreement and compliance with the requirements of the ACA, including 45 C.F.R. § 155.260(b)(2) and, regardless of whether otherwise applicable to the Non-Exchange Entity, 45 C.F.R. § 155.270(a); and

WHEREAS, this Agreement supersedes and replaces any and all Business Associate Agreements, Trading Partner Agreements or Non-Exchange Entity Agreements the Non-Exchange Entity and MHBE may have entered into prior to the date hereof;

NOW THEREFORE, the premises having been considered with acknowledgement of the mutual promises and of other good and valuable consideration herein contained, the Parties, intending to be legally bound, hereby agree as follows:

AGREEMENT

A. **Recitals.** The Recitals are true and correct in all respects, are incorporated into this Agreement and form a part of this Agreement.

B. **Definitions.** For purposes of this Agreement, the Parties agree that the following definitions apply, regardless of whether the identified word is capitalized herein:

1. **“Breach”** shall mean the compromise, unauthorized disclosure, unauthorized acquisition, unauthorized access, loss of control, or any similar term or phrase that refers to situations where persons other than authorized users or for an other than authorized purpose have access or potential access to personally identifiable information, whether physical or electronic.

2. **“Incident”** shall mean the act of violating an explicit or implied security policy, which includes attempts (either failed or successful) to gain unauthorized access to a system or its data, unwanted disruption or denial of service, the unauthorized use of a system for processing or storage of data; and changes to system hardware, firmware, or software characteristic’s without the owner’s knowledge, instruction or consent. Incidents include the loss of data through theft or device misplacement, loss or misplacement of hardcopy documents, and misrouting of mail, all of which may have the potential to put the data at risk of unauthorized access, use, disclosure, modification or destruction. While certain adverse events (e.g., floods, fires, electrical outages, excessive heat, etc.) can cause system crashes, they are not considered incidents. An incident becomes a breach when there is the loss of control, compromise, unauthorized disclosure, unauthorized acquisition, unauthorized access, or any similar term referring to situations where persons other than authorized users and for an other than authorized purpose have access or potential access to personally identifiable information, whether physical or electronic.

3. **“Personally Identifiable Information”** or **“PII”** shall mean personally identifiable information as defined by OMB Memorandum M-07-16 (May 22, 2007) (“PII refers to information which can be used to distinguish or trace an individual’s identity, such as their name, social security number, biometric records, etc., alone, or when combined with other personal or identifying information which is linked or linkable to a specific individual, such as date and place of birth, mother’s maiden name, etc.”).

4. **“Unsecured PII”** shall include, but not be limited to, electronic PII that is not encrypted by use of an algorithmic process to transform data into a form in which there is a low probability of assigning meaning without use of a confidential process or key.

C. **Permitted Uses and Disclosure of PII by the Non-Exchange Entity.**

1. Non-Exchange Entity may only use or disclose PII as necessary to perform the services set forth in the Underlying Agreement or as required by law.

2. Non-Exchange Entity agrees to make uses and disclosures and requests for PII consistent with MHBE's policies and procedures regarding minimum necessary use of PII.

3. Non-Exchange Entity shall not use or disclose PII in a manner that would violate 45 C.F.R. § 155.260 if done by MHBE.

4. Except as otherwise limited in this Agreement, Non-Exchange Entity agrees to disclose PII for the proper management and administration, or legal responsibilities of the Non-Exchange Entity only when (i) such disclosures are required by law, or (ii) Non-Exchange Entity obtains reasonable assurances from the person to whom the information is disclosed that the information will remain confidential and used or further disclosed only as required by law or for the purpose for which it was disclosed to the person, and the person notifies the Non-Exchange Entity of any instances of which it is aware in which the confidentiality of the information has been breached.

5. Non-Exchange Entity shall not directly or indirectly receive remuneration in exchange for any PII of an individual. For the avoidance of doubt, this provision shall not preclude Non-Exchange Entity from receiving payment for the provision of services set forth in the Underlying Agreement or that are required by law.

6. Non-Exchange Entity shall not use or disclose PII for the purposes of marketing a product or service unless necessary to perform the services set forth in the Underlying Agreement or required by law. For the purposes of this provision, "marketing" shall mean a communication about a product or service that encourages recipients of the communication to purchase or use the product or service.

D. Duties of the Non-Exchange Entity Relative to PII.

1. The Non-Exchange Entity shall not use or disclose PII other than as permitted or required by the Agreement or as required by law.
2. The Non-Exchange Entity shall use appropriate administrative, technical and physical safeguards to protect the privacy of PII including, without limitation, by storing electronic PII in encrypted format.
3. Non-Exchange Entity shall use privacy and security standards at least as protective as MHBE has established and implemented for itself. For example, and without limitation, Non-Exchange Entity shall comply with the standards, implementation specifications, operating rules, and code sets adopted in 45 C.F.R. Parts 160 and 162, regardless of whether otherwise made applicable to Non-Exchange Entity pursuant to 45 C.F.R. § 155.270(a), to provide for the secure exchange of PII and to prevent use or disclosure of PII other than as provided in the Agreement. Further, Non-Exchange Entity shall:
 - a. Comply with the Minimum Acceptable Risk Standards for Exchanges (MARS-E) as published in the following suite of documents: (1) Harmonized Security and Privacy Framework – Exchange Reference Architecture Supplement; (2) Minimum Acceptable Risk Standards for Exchanges – Exchange Reference Architecture Supplement; (3) Catalog of Minimum Acceptable Risk Controls

for Exchanges – Exchange Reference Architecture Supplement; (4) ACA System Security Plan Procedures; (5) ACA System Security Plan Template; (6) ACA System Security Plan Workbook; and (7) IRS ACA Safeguard Procedures Report Template.

- b. Implement administrative, physical and technical safeguards to protect PII accessed pursuant to this Agreement and the Underlying Agreement from loss, theft or inadvertent disclosure.
 - c. Safeguard PII at all times, regardless of whether or not the Non-Exchange Entity’s employee, contractor, or agent is at his or her regular duty station.
 - d. Ensure that laptops and other electronic devices/media containing PII are encrypted and/or password protected.
 - e. Send emails containing PII only if encrypted and being sent to and being received by email addresses of persons authorized to receive such information.
 - f. Limit disclosure of the information and details relating to a PII loss only to those with a need to know.
 - g. Restrict access to PII only to those authorized employees, contractors, and agents who need such data to perform their official duties in connection with purposes identified in this Agreement and the Underlying Agreement; such restrictions shall include, at a minimum, role-based access that limits access to those individuals who need it to perform their official duties in connection with the uses of data authorized in this Agreement and the Underlying Agreement (“authorized users”). Further, the Non-Exchange Entity shall advise all users who will have access to the data provided under this Agreement and the Underlying Agreement of the confidential nature of the data, the safeguards required to protect the data, and the civil and criminal sanctions for noncompliance contained in the applicable State and federal laws.
4. Non-Exchange Entity shall monitor, periodically assess, and update its security controls and related system risks, to ensure the continued effectiveness of those controls.
 5. Non-Exchange Entity shall inform MHBE of any change in its administrative, technical or operational environments to the extent any are material in the Underlying Agreement.
 6. Non-Exchange Entity shall require any agents or downstream entities to which access to PII is granted in connection with the Underlying Agreement to adhere to the same privacy and security standards and obligations to which Non-Exchange Entity hereby agrees.
 7. Non-Exchange Entity shall report to MHBE any use or disclosure of PII not permitted by this Agreement or required by law, including any Breaches of PII of which it becomes aware. Non-Exchange Entity further agrees to report to MHBE any Incident of which it becomes aware without unreasonable delay, and in no case later than five (5) calendar days after the Incident. Further, Non-Exchange Entity shall report all suspected or confirmed Incidents involving loss or suspected loss of PII to MHBE within *one* (1) hour of discovery.
 8. If the use or disclosure amounts to a Breach of Unsecured PII, the Non-Exchange Entity shall ensure its report:
 - a. Is made to MHBE without unreasonable delay and in no case later than fifteen (15) calendar days after the Incident constituting the Breach is first known, except where a law enforcement official determines that a notification would impede a criminal investigation

or cause damage to national security. For the avoidance of doubt, Non-Exchange Entity must notify MHBE of an incident involving the acquisition, access, use or disclosure of PII in a manner not permitted under 45 C.F.R. § 155.260 or this Agreement within five (5) calendar days after an Incident even if Non-Exchange Entity has not conclusively determined within that time that the Incident constitutes a Breach as defined by this Agreement;

- b. Includes the names of the individuals whose unsecured PII has been, or is reasonably believed to have been, the subject of a Breach;
- c. Is in substantially the same form as **EXHIBIT 1** attached hereto; and
- d. Includes a draft letter for MHBE to review and approve prior to Non-Exchange Entity's notification of the affected individuals that their unsecured PII has been, or is reasonably believed to have been, the subject of a Breach. The notification must include, to the extent possible:
 - i) A brief description of what happened, including the date of the Breach and the date of the discovery of the Breach, if known;
 - ii) The types of Unsecured PII that were involved in the Breach (such as full name, Social Security number, date of birth, home address, account number, or other types of information that were involved);
 - iii) Any steps the affected individuals should take to protect themselves from potential harm resulting from the Breach;
 - iv) The toll-free telephone numbers and addresses for the major consumer reporting agencies;
 - v) The toll-free telephone numbers, addresses and web site addresses for (1) the Federal Trade Commission; and (2) the Maryland Office of the Attorney General;
 - vi) A brief description of what MHBE and the Non-Exchange Entity are doing to investigate the Breach, to mitigate losses, and to protect against any further Breaches; and
 - vii) Contact procedures for the affected individuals to ask questions or learn additional information, which shall include a telephone number, toll-free telephone number if one is maintained and postal address and may include an email address and web-site address.

- 9. To the extent permitted by the Underlying Agreement, Non-Exchange Entity may use agents and subcontractors. The Non-Exchange Entity shall ensure that any subcontractors or agents that create, receive, maintain, or transmit PII on behalf of Non-Exchange Entity agree to the same

restrictions, conditions and requirements that apply to Non-Exchange Entity with respect to such information.

10. Non-Exchange Entity agrees to maintain and make available the information required to prove an accounting of disclosures of PII to MHBE or, as directed by MHBE, to an individual.
11. Non-Exchange Entity agrees to make its internal practices, books, and records, including PII, available to MHBE and/or the Secretary of the U.S. Department of Health and Human Services for purposes of determining compliance with the ACA's privacy and security regulations as well as with the standards MHBE has established pursuant to 45 C.F.R. § 155.260, as set forth in 45 C.F.R. § 155.280(a).
12. Non-Exchange Entity agrees to mitigate, to the extent practicable, any harmful effect known to Non-Exchange Entity of a use or disclosure of PII by Non-Exchange Entity in violation of the requirements of this Agreement.

E. Term and Termination.

1. **Term.** The Term of this Agreement shall be effective as of the Effective Date defined above and shall terminate when all of the PII provided by MHBE to the Non-Exchange Entity, or the PII created or received by Non-Exchange Entity on behalf of MHBE, is destroyed or returned to MHBE, in accordance with the termination provisions in this Section E, or on the date MHBE terminates for cause as authorized in paragraph (2) of this Section, whichever is sooner. If it is impossible to return or destroy all of the PII provided by MHBE to Non-Exchange Entity, or the PII created or received by Non-Exchange Entity on behalf of MHBE, Non-Exchange Entity's obligations under this contract shall be ongoing with respect to that information, unless and until a separate written agreement regarding that information is entered into with MHBE.
2. **Termination.** Upon MHBE's knowledge of a material breach of this Agreement by Non-Exchange Entity, MHBE:
 - a. Shall provide an opportunity for Non-Exchange Entity to cure the breach or end the violation and, if Non-Exchange Entity does not cure the breach or end the violation within the time specified by MHBE, may terminate this Agreement; or
 - b. May immediately terminate this Agreement if Non-Exchange Entity has breached a material term of this Agreement and MHBE determines or reasonably believes that cure is not possible.
3. **Effect of Termination.**
 - a. Upon termination of this Agreement, for any reason, Non-Exchange Entity shall return or, if agreed to by MHBE, destroy all PII received from MHBE, or created, maintained, or received by Non-Exchange Entity on behalf of MHBE, which the Non-Exchange Entity maintains in any form. Non-Exchange Entity shall retain no copies of the PII. This provision shall apply to PII that is in the possession of subcontractors or agents of Non-Exchange Entity.
 - b. Should Non-Exchange Entity make an intentional or grossly negligent Breach of PII in violation of this Agreement or applicable law, MHBE shall have the right to immediately terminate any

contract, other than this Agreement, then in force between the Parties, including the Underlying Agreement.

4. Survival. The obligations of Non-Exchange Entity under this Section shall survive the termination of this Agreement.

F. Consideration. Non-Exchange Entity recognizes that the promises it has made in this Agreement shall, henceforth, be detrimentally relied upon by MHBE in choosing to continue or commence a business relationship with Non-Exchange Entity.

G. Remedies in the Event of Breach. Non-Exchange Entity hereby recognizes that irreparable harm will result to MHBE, and to the business of MHBE, in the event of breach by Non-Exchange Entity of any of the covenants and assurances contained in this Agreement. As such, in the event of breach of any of the covenants and assurances contained in Sections C or D above, MHBE shall be entitled to enjoin and restrain Non-Exchange Entity from any continued violation of Sections C or D. Furthermore, in the event of breach of Sections C or D by Non-Exchange Entity, MHBE is entitled to reimbursement and indemnification from Non-Exchange Entity for MHBE's reasonable attorneys' fees and expenses and costs that were reasonably incurred as a proximate result of Non-Exchange Entity's breach. The remedies contained in this Section G shall be in addition to, not in lieu of, any action for damages and/or any other remedy MHBE may have for breach of any part of this Agreement or the Underlying Agreement or which may be available to MHBE at law or in equity.

H. Modification; Amendment. This Agreement may only be modified or amended through a writing signed by the Parties and, thus, no oral modification or amendment hereof shall be permitted. The Parties agree to take such action as is necessary to amend this Agreement from time to time as is necessary for MHBE to comply with the requirements of the ACA and, were it to become or imminently be applicable, the Health Insurance Portability and Accountability Act of 1996, as amended, together with all regulations promulgated thereto, and any other applicable law.

I. Interpretation of this Agreement in Relation to Other Agreements Between the Parties. Should there be any conflict between the language of this Agreement and any other contract entered into between the Parties (either previous or subsequent to the date of this Agreement), the language and provisions of this Agreement shall control and prevail unless the Parties specifically refer in a subsequent written agreement to this Agreement by its title and date and specifically state that the provisions of the later written agreement shall control over this Agreement.

J. Governing Law. This Agreement shall be governed and construed in accordance with the laws of the State of Maryland, including, without limitation, Title 12 of the State Government Article of the Annotated Code of Maryland, but without regard to its choice of law provisions. This Agreement is not intended to modify the Parties' respective obligations to comply with all applicable federal, state and local laws, rules, and regulations, including but in no way limited to any and all laws, rules, and regulations related to privacy protection and confidentiality.

K. Miscellaneous.

1. Ambiguity. Any ambiguity in this Agreement shall be resolved to permit MHBE to comply with the ACA and its provisions with respect to the privacy and security of personally

identifiable information.

2. Regulatory References. A reference in this Agreement to a section in the ACA, including any regulations promulgated thereto, means the section as in effect or as amended.

6. Survival. Any provision of this Agreement which contemplates performance or observance subsequent to any termination or expiration of this contract shall survive termination or expiration of this Agreement and continue in full force and effect.

7. Severability.
