**“COLLEGE ENROLLMENT WEEK” NOV. 14-20
WILL HELP YOUNG ADULTS GET HEALTH COVERAGE**
CONSUMER ASSISTERS WILL BE AT COLLEGES ACROSS THE STATE
TO HELP WITH ENROLLMENT AND PROVIDE INFORMATION

BALTIMORE (Nov. 10, 2016) – Maryland Health Connection will host “College Enrollment Week” from Nov. 14 to Nov. 20 at more than a dozen locations throughout the state. This series of enrollment and informational events will provide eligible Marylanders with information about Maryland Health Connection and the opportunity to sign up for or learn more about health insurance.

Maryland’s College Enrollment Week aligns with the [White House Healthy Campus](#) challenge, a national effort to engage college campuses across the country to inform and enroll young adults in health coverage. Dec. 15th is the deadline to sign up for coverage to begin Jan. 1, 2017. Open enrollment for 2017 coverage ends Jan. 31, 2017.

Numerous colleges across the state will enroll Marylanders in health coverage or share information about how they can enroll in qualified health plans for 2017. Medicaid enrollment is year-round. Maryland Health Connection is the only place Marylanders can get financial help to cover the cost health insurance. Last year, 9 out of 10 Marylanders received financial help to lower the cost of their plan.

Following is a list of participating colleges in Maryland. Visit MarylandHealthConnection.gov/healthyadulthood for more information or to enroll.
