IT Procurements

Presented by:
Tony Armiger, Chief Financial Officer
Venkat R. Koshanam, Chief Information Officer

Agenda

- RedHat Subscription Renewal (Upcoming)

Upcoming Procurement RedHat Subscription Renewal

MARYLAND HEALTHBENEFIT EXCHANGE

Background

MHBE uses RedHat Linux Operating System & Application Servers as its foundational software for developing the Health Benefit Exchange (HBX) solutions.

Procurement Details

The maintenance support for RedHat software ends on September 30, 2018.

MHBE Procurement Office is currently working to renew the support for the next twelve (12) months from 10/01/2018 – 09/30/2019.

The projected cost of maintenance renewal is **$265,000.00**.

The mode of procurement will be through the Invitation for Bid (IFB).

MHBE will request the Board's approval for contract award in September 2018.
