I hereby affirm that I, _____ (name of affiant) am the _____ (title) and duly authorized representative of _____ (name of business entity) and that I possess the legal authority to make this affidavit on behalf of the business for which I am acting.

B. CERTIFICATION REGARDING COMMERCIAL NONDISCRIMINATION

The undersigned Bidder/Offeror hereby certifies and agrees that the following information is correct: In preparing its Bid/Proposal on this project, the Bidder/Offeror has considered all Proposals submitted from qualified, potential subcontractors and suppliers, and has not engaged in "discrimination" as defined in § 19-103 of the State Finance and Procurement Article of the Annotated Code of Maryland. "Discrimination" means

any disadvantage, difference, distinction, or preference in the solicitation, selection, hiring, or commercial treatment of a vendor, subcontractor, or commercial customer on the basis of race, color, religion, ancestry, or national origin, sex, age, marital status, sexual orientation, sexual identity, or on the basis of disability or any otherwise unlawful use of characteristics regarding the vendor's, supplier's, or commercial customer's employees or owners. "Discrimination" also includes retaliating against any person or other entity for reporting any incident of "discrimination". Without limiting any other provision of the solicitation on this project, it is understood that, if the certification is false, such false certification constitutes grounds for the State to reject the Bid/Proposal submitted by the Bidder/Offeror on this project, and terminate any contract awarded based on the Bid/Proposal. As part of its Bid/Proposal, the Bidder/Offeror herewith submits a list of all instances within the past 4 years where there has been a final adjudicated determination in a legal or administrative proceeding in the State of Maryland that the Bidder/Offeror discriminated against subcontractors, vendors, suppliers, or commercial customers, and a description of the status or resolution of that determination, including any remedial action taken. The undersigned Bidder/Offeror hereby certifies and agrees that it has fully complied with the State Minority Business Enterprise Law, State Finance and Procurement Article, § 14-308(a)(2), Annotated Code of Maryland, which provides that, except as otherwise provided by law, a contractor may not identify a certified minority business enterprise in a Bid/Proposal and:

- (2) Fail to notify the certified minority business enterprise before execution of the contract of its inclusion in the Bid/Proposal;
- (3) Fail to use the certified minority business enterprise in the performance of the contract; or
- (4) Pay the certified minority business enterprise solely for the use of its name in the Bid/Proposal.

Without limiting any other provision of the solicitation on this project, it is understood that if the certification is false, such false certification constitutes grounds for the State to reject the Bid/Proposal submitted by the Bidder/Offeror on this project, and terminate any contract awarded based on the Bid/Proposal.

B-2. CERTIFICATION REGARDING VETERAN-OWNED SMALL BUSINESS ENTERPRISES.

- (2) Knowingly and with intent to defraud, fraudulently represent participation of a veteran-owned small business enterprise in order to obtain or retain a Bid/Proposal preference or a procurement contract;

The scope of work or solicitation dated _____ is attached and incorporated by reference as Exhibit __. The Contractor’s bid or proposal dated _____ is attached and incorporated by references as Exhibit __. If there is any conflict between this Contract and any exhibits incorporated by reference, the terms of this Contract shall govern. If there is any conflict among the Exhibits, the following order of precedence shall determine the prevailing provision: Exhibit A – the scope of work or solicitation and Exhibit B – the Contractor’s bid or proposal.

2. Changes

The Procurement Officer may, at any time, by written order, make changes in the work within the general scope of the Contract or the solicitation. No other order, statement, or conduct of the Procurement Officer or any other person shall be treated as a change or entitle the Contractor to an equitable adjustment under this section. Except as otherwise provided in this Contract, if any change under this section causes an increase or decrease in the Contractor’s cost of, or the time required for, the performance of any part of the work, whether or not changed by the order, an equitable adjustment in the Contract price shall be made and the Contract modified in writing accordingly. The Contractor must assert in writing its right to an adjustment

under this section within thirty (30) days of receipt of written change order and shall include a written statement setting forth the nature and cost of such claim. No claim by the Contractor shall be allowed if asserted after final payment under this Contract. Failure to agree to an adjustment under this section shall be a dispute under the Disputes clause. Nothing in this section shall excuse the Contractor from proceeding with the Contract as changed.

While the Procurement Officer may, at any time, by written change order, make unilateral changes in the work within the general scope of the Contract as provided in Section 2.2 above, the Contract may be modified by mutual agreement of the parties, provided: (a) the modification is made in writing; (b) all parties sign the modification; and (c) all required approvals are obtained.

Contracts awarded in violation of the MHBE Procurement Policies and Procedures are voidable at the election of MHBE.

3. Term of Contract. The Contract shall be for one time purchase.

4. Compensation and Method of Payment.

a. Compensation. The total compensation for services to be rendered by the Contractor shall not exceed \$15,000.

b. Method of Payment. The Department shall pay the Contractor no later than thirty (30) days after the Department receives a proper invoice from the Contractor. Charges for late payment of invoices, other than as prescribed by Title 15, Subtitle 1, State Finance and Procurement Article, Maryland Code, are prohibited.

c. Tax Identification Number. The Contractor's Federal Tax Identification Number is _____ . The Contractor's Social Security Number is _____ (Individual Contractor Only). Contractor's Federal Tax Identification Number (or Social Security Number - Individual Contractor Only) shall appear on all invoices submitted by the Contractor to the Department for payment.

d. Invoicing. All invoices for services shall be signed by the Contractor and submitted to the Procurement Officer. All invoices shall be submitted no later than the 15th of the month for the preceding calendar month. All invoices shall include the following information:

- Contractor name;
- Remittance address;
- Federal taxpayer identification number (or if sole proprietorship, the individual's social security number);
- Invoice period;
- Invoice date;
- Invoice number
- Department Contract number;
- Department Purchase Order number(s);
- Goods or services provided; and
- Amount due.

Invoices submitted without the required information cannot be processed for payment until the Contractor provides the required information.

5. Procurement Officer. The Department designates _____ to serve as Procurement Officer for this Contract. All contact between the Department and the Contractor regarding all matters relative to this Contract shall be coordinated through the Procurement Officer.

6. Disputes. As used herein, a “claim” means a written demand or assertion by one of the parties seeking, as a legal right, the payment of money, adjustment, or interpretation of contract terms, or other relief, arising under or relating to this Contract. A voucher, invoice, or request for payment that is not in dispute when submitted is not a claim. However, if the submission subsequently is not acted upon in a reasonable time, or is disputed as to liability or amount, it may be converted to claim for the purpose of this clause.

Within thirty (30) days of when the Contractor knows or should have known of the basis for a claim relating to the Contract, it shall file a written notice of claim on its letterhead to the Procurement Officer. Contemporaneously with, or within thirty (30) days after filing the notice of claim, the Contractor shall submit the written claim to the Procurement Officer. The claim shall be in writing and shall contain: (a) An explanation of the claim, including reference to all contract provisions upon which it is based; (b) The amount of the claim; (c) The facts upon which the claim is based; (d) All pertinent data and correspondence that the Contractor relies upon to substantiate the claim; and (e) a certification by a senior official, officer, or general partner of the Contractor or the subcontractor, as applicable, that, to the best of the person’s knowledge and belief, the claim is made in good faith, supporting data are accurate and complete, and the amount requested accurately reflects the contract adjustment for person believes the MHBE is liable. The Procurement Officer shall issue a final, written decision on the claim as expeditiously as possible. Any final decision of the Procurement Officer may award a Contract claim only for those expenses incurred not more than thirty (30) days before the contractor initially filed its notice of claim.

If the final decision of the Procurement Officer grants the claim in part and denies the claim in part, the MHBE shall pay the Contractor the undisputed amount. Payment of the partial claim will not be construed as an admission of liability by the MHBE and does not preclude the MHBE from recovering the amount paid if a subsequent determination modifies the final decision.

Within ten days of receipt of the final decision of the Procurement Officer, the Contractor may file an appeal to the MHBE Executive Director for claims for monetary amounts less than \$50,000, and to the Board of Trustees for either claims for monetary amounts over \$50,000 or greater or for claims involving non- monetary relief. Contemporaneously with, or within twenty (20) days after filing the notice of appeal, the Contractor shall submit its written appeal to the MHBE Executive Director or Board of Trustees as applicable. The Executive Director shall issue a final decision resolving the appeal of claims for monetary amounts less than \$50,000 or more and those for non-monetary relief. The Contractor’s timely appeal to the Executive Director or the Board shall be a strict condition precedent to the Contractor pursuing any legal rights which it alleges or which may exist in any other forum.

Pending resolution of a claim, the Contractor shall proceed diligently with the performance of the Contract in accordance with the Procurement Officer’s decision.

Nothing in this section shall be construed to limit the MHBE’s right to withhold payments from the Contractor, assess liquidated damages against the Contractor, direct the Contractor to perform pursuant to the terms of the Contract or any written change order, or to exercise any other rights allowed by Contract or at law.

7. Termination for Cause. If the Contractor fails to fulfill its obligations under this Contract properly and on time, or otherwise violates any provision of the Contract, the State may terminate the Contract by written notice to the Contractor. The notice shall specify the acts or omissions relied upon as cause for termination. All finished or unfinished work provided by the Contractor shall, at the State’s option, become the State’s

property. The State shall pay the Contractor fair and equitable compensation for satisfactory performance prior to receipt of notice of termination, less the amount of damages caused by the Contractor's breach. If the damages are more than the compensation payable to the Contractor, the Contractor will remain liable after termination and the State can affirmatively collect damages. Termination hereunder, including the termination of the rights and obligations of the parties, shall be governed by the provisions of COMAR 21.07.01.11B.

8. Termination for Convenience. The performance of work under this Contract may be terminated by the State in accordance with this clause in whole, or from time to time in part, whenever the State shall determine that such termination is in the best interest of the State. The State will pay all reasonable costs associated with this Contract that the Contractor has incurred up to the date of termination, and all reasonable costs associated with termination of the Contract; provided, however, the Contractor shall not be reimbursed for any anticipatory profits that have not been earned up to the date of termination. Termination hereunder, including the determination of the rights and obligations of the parties, shall be governed by the provisions of COMAR 21.07.01.12A(2).

9. Termination for Non-appropriation. If funds are not appropriated or otherwise made available to support continuation in any fiscal year succeeding the first fiscal year, this Contract shall be terminated automatically as of the beginning of the fiscal year for which funds are not available. The Contractor may not recover anticipatory profits or costs incurred after termination.

10. Commercial Nondiscrimination. As a condition of entering into this Contract, Contractor represents and warrants that it will comply with the State's Commercial Nondiscrimination Policy, as described at Md. Code Ann., State Finance and Procurement Article, Title 19. As part of such compliance, Contractor may not discriminate on the basis of race, color, religion, ancestry or national origin, sex, age, marital status, sexual orientation, sexual identity, or on the basis of disability or other unlawful forms of discrimination in the solicitation, selection, hiring, or commercial treatment of subcontractors, vendors, suppliers, or commercial customers, nor shall Contractor retaliate against any person for reporting instances of such discrimination. Contractor shall provide equal opportunity for subcontractors, vendors, and suppliers to participate in all of its public sector and private sector subcontracting and supply opportunities, provided that this clause does not prohibit or limit lawful efforts to remedy the effects of marketplace discrimination that have occurred or are occurring in the marketplace. Contractor understands that a material violation of this clause shall be considered a material breach of this Contract and may result in termination of this Contract, disqualification of Contractor from participating in State contracts, or other sanctions. This clause is not enforceable by or for the benefit of, and creates no obligation to, any third party.

The Contractor shall include the above Commercial Nondiscrimination clause, or similar clause approved by the Department, in all subcontracts.

As a condition of entering into this Contract, upon the request of the Commission on Civil Rights, and only after the filing of a complaint against Contractor under Md. Code Ann., State Finance and Procurement Article, Title 19, as amended from time to time, Contractor agrees to provide within sixty (60) days after the request a complete list of the names of all subcontractors, vendors, and suppliers that Contractor has used in the past four (4) years on any of its contracts that were undertaken within the State of Maryland, including the total dollar amount paid by Contractor on each subcontract or supply contract. Contractor further agrees to cooperate in any investigation conducted by the State pursuant to the State's Commercial Nondiscrimination Policy as set forth at Md. Code Ann., State Finance and Procurement Article, Title 19, and to provide any documents relevant to any investigation that are requested by the State. Contractor understands that violation of this clause is a material breach of this Contract and may result in contract termination, disqualification by the State from participating in State contracts, and other sanctions.

11. Maryland Law Prevails. The laws of Maryland shall govern the interpretation and enforcement of this Contract. The Maryland Uniform Computer Information Transactions Act

(Commercial Law Article, Title 22 of the Annotated Code of Maryland) does not apply to this Contract or any software license acquired hereunder.

12. Anti-Bribery. The Contractor certifies that, to the Contractor's best knowledge, neither the Contractor; nor (if the Contractor is a corporation or partnership) any of its officers, directors, partners, or controlling stockholders; nor any employee of the Contractor who is directly involved in the business's contracting activities, has been convicted of bribery, attempted bribery, or conspiracy to bribe under the laws of any state or of the United States.

13. Federal Funds Requirements and Restrictions

This Contract may contain federal funds from one or more of the following sources: an Establishment Grant under a Cooperative Agreement to Support Establishment of State-Operated Health Insurance Exchanges (CFDA number 93.525) and Medicaid Funds, CFDA number 93.778. Execution of this Contract indicates Contractor's agreement with all federal funding terms and conditions that apply to contractors receiving federal funds from the above referenced sources, including but not limited to those required by 45 C.F.R. § 75.335 and appendix II to Part 75 of Title 45 of the Code of Federal Regulations. Appendix II of Part 75 of Title 45 of the Code of Federal Regulations, attached to the IFB as Attachment E, is hereby incorporated into this Contract by reference.

14. Miscellaneous

Any provision of this Contract which contemplates performance or observance subsequent to any termination or expiration of this contract shall survive termination or expiration of this contract and continue in full force and effect.

If any term contained in this contract is held or finally determined to be invalid, illegal, or unenforceable in any respect, in whole or in part, such term shall be severed from this contract, and the remaining terms contained herein shall continue in full force and effect, and shall in no way be affected, prejudiced, or disturbed thereby.

IN WITNESS THEREOF, the parties have executed this Contract as of the date hereinabove set forth.
