 - 1. **Nonrenewal by Carrier.** To the extent Carrier no longer meets the mandatory participation requirements set forth in the Maryland Insurance Code, Carrier may terminate this Agreement with the MHBE, by giving written notice of non-renewal delivered at least 120 days prior to the expiration of the Initial Term or the then current Contract Year. Written notice shall be delivered to small employers and individuals consistent with State and federal laws and regulations, Carrier Reference Manual and MHBE Interim Procedures.
 - 2. **Termination for Cause.** Either Party may terminate this Agreement upon breach by the other of any material terms or representation in this Agreement, subject to the following notice and cure requirements:
 - a. In the event either Party wishes to terminate this Agreement for cause, that Party shall give the alleged breaching Party 45 days (“Cure Period”) prior written notice, which notice shall include a description of the breach. If the alleged breaching Party does not provide a reasonable cure to the breach and within the Cure Period, the terminating Party shall provide the other Party with notice of termination. This Agreement shall then terminate upon receipt of the written notice of termination or such later date or under such circumstances as may be specified in such notice.
 - b. In the event the MHBE is the terminating Party, following the Cure Period, it may cease marketing Carrier’s Qualified Plans, discontinue new enrollments, notify existing Covered Persons and small groups that the arrangement with Carrier is terminating, and arrange for appropriate transition of Covered Persons and small groups in accordance with MIA and MHBE requirements, consistent with State and federal laws and regulations. This Agreement shall not be terminated until the Cure Period expires, and notice shall not be sent to Covered Persons unless and until the Cure Period has expired without resolution of the matter.
 - i. MHBE reserves the right to suspend marketing and new enrollments, and notify Covered Persons and small groups of termination prior to the end of the Cure Period if the matter could cause harm to consumers.

- c. Notwithstanding anything to the contrary herein, Carriers terminating for cause remain subject to the mandatory Maryland Health Connection participation requirements set forth in §§ 15-1204.1 and 15-1303 of the Insurance Article, Maryland Annotated Code.
3. Termination Upon Certain Events. The MHBE may, by giving written notice to the Carrier, terminate this Agreement immediately upon the occurrence of any of the events below:
 - a. Carrier's license or Accreditation required to be maintained in order to carry out its obligations under this Agreement expired or are suspended, revoked or restricted so as to prevent Carrier from legally fulfilling its obligations under the Agreement.
 4. Non-Availability of Funding. If the General Assembly fails to appropriate funds or if funds are not otherwise made available for the continued performance for any fiscal period of the MHBE operations, this Agreement shall be canceled automatically as of the beginning of the fiscal year for which funds were not appropriated or otherwise made available; provided, however, that this will not affect either the MHBE's rights or the Carrier's rights under any termination clause in this Agreement. The effect of termination of the Agreement hereunder will be to discharge both the Carrier and the MHBE from future performance of the Agreement, but not from their rights and obligations existing at the time of termination. The MHBE shall notify the Carrier as soon as it has knowledge that funds may not be available for the continuation of this Agreement for each succeeding fiscal period beyond the first.
- C. Upon Termination of This Agreement.** In the event of non-renewal or other termination of this Agreement, Carrier agrees to comply with State and federal laws and regulations, Carrier Reference Manual and MHBE Interim Procedures addressing transition of Covered Persons and small groups.
- D. Not a Novation.** For the avoidance of doubt, nothing in this Carrier Business Agreement 2018 shall be construed to effect a novation of the Agreement, pursuant to which the Parties' rights and obligations remain in full force and effect, as the same may be amended herein.

VI. ADDITIONAL TERMS AND CONDITIONS

A. Amendments.

1. The Parties agree to negotiate in good faith to cure any omissions, ambiguities, or manifest errors herein.
2. The Parties agree and acknowledge that this Agreement shall be interpreted in a way that allows MHBE to ensure its compliance with any existing or newly enacted laws and/or regulations, or with any applicable order of any State or federal agency or court. Any such law, regulation or applicable order shall be effective for the purposes of this Agreement as of the date the law, regulation or order becomes or became effective. All references in this Agreement to State and federal law or regulation shall mean the State or federal law or regulation as the same may be amended from time to time.
3. Any other amendment to this Agreement requires mutual consent of both Parties, in the form of a written amendment, signed by both Parties, and attached hereto.
4. Notwithstanding anything to the contrary herein, the Parties acknowledge and agree that the MHBE may revise its policies and procedures as set forth in the Carrier Reference Manual, and MHBE Interim Procedures from time to time, and Carrier agrees to comply with any such revisions. Such revisions shall include notice and comment periods.

5. The carrier contracting strategy described in the Maryland Health Benefit Exchange Act will be reassessed and may be modified to address evolving market conditions consistent with State and federal laws and regulations.
- B. Adequate Assurances.** If the MHBE is aware of facts or circumstances that it reasonably believes would cause Carrier not to be willing or able to perform its obligations under this Agreement, the MHBE may request, and Carrier shall provide within a reasonably prompt period of time, in light of the circumstances, after receipt of a request, adequate assurances, acceptable to the MHBE in its reasonable discretion, of Carrier’s continuing ability and willingness to perform its obligations, or such portion thereof, as required by this Agreement.
- C. Material Subcontractors.** Carrier’s Material Subcontractors providing services associated with this Agreement shall be subject to the same terms and conditions as the Carrier, as applicable. Carrier shall remain fully responsible for meeting all the terms and conditions of this Agreement regardless of whether Carrier subcontracts for performance of any responsibilities under this Agreement.
1. For purposes of this Agreement, “Material Subcontractor” means a third party with which Carrier contracts to perform a function required by the Agreement to be performed by the Carrier.
 2. Carrier shall provide prior written notice to the MHBE of any Material Subcontracting arrangement.
- D. Independent Contractors.** The Parties intend to create an independent contractor relationship and nothing contained in this Agreement shall be construed to make either the MHBE or Carrier partners, joint ventures, principals, agents or employees of the other. No officer, director, employee, agent, affiliate or contractor retained by Carrier to perform work related to this Agreement will be deemed to be an employee, agent or contractor of the MHBE. Neither Party will have any right, power or authority, express or implied, to bind the other.
- E. Limitation on Liability.** The MHBE shall have no liability or responsibility for Carrier’s provision or arrangement of, or failure to provide or arrange for, any health care services, supplies, medications, or facilities to Covered Persons under this Agreement.
- F. Counterparts.** This Agreement may be executed simultaneously in two or more counterparts, each of which will be deemed an original, and all of which together will constitute one and the same instrument.
- G. Entire Contract.** This Agreement constitutes the entire agreement of the Parties with respect to the subject matter hereof including all Schedules, Appendices, Exhibits, Attachments, the Carrier Reference Manual, MHBE Interim Procedures, the annual Letter to Issuers, and amendments hereto, and supersedes all prior agreements, representations, negotiations, and undertakings not set forth or incorporated herein. The terms of this Agreement shall prevail notwithstanding any variances with the terms and conditions of any written or verbal communication subsequently occurring, except as otherwise provided herein.
- H. No Third Party Enforcement.** No person not executing this Agreement shall be entitled to enforce this Agreement against a Party hereto regarding such Party’s obligations under this Agreement. Notwithstanding the foregoing, nothing herein is intended to affect enforcement rights existing under State and/or federal law, including but not limited to regulatory enforcement and/or private rights of action.

- I. Existing Rights and Authority.** No provision of this Agreement shall affect existing authority of other State agencies, nor any individual rights related to a cause of action against a State agency.
- J. Effect of Invalidity of Clauses.** If any clause or provision of this Agreement is in conflict with any State or federal law or regulation, that clause or provision shall be null and void and any such invalidity shall not affect the validity of the remainder of this Agreement.
- K. Waiver.** The waiver by either Party of any part of this Agreement or of a breach or violation of any provision of this Agreement shall not operate as or be construed to be a waiver in any other respect, to any other extent, or at any other time.
- L. Corrective Action Plan.** At any point during this Agreement, if the MHBE identifies, in its sole judgment, any deficiency related to plan certification requirements, the MHBE will engage with Carrier to develop a commercially feasible corrective action plan to correct such deficiency. Carrier shall submit any such corrective action plan to the MHBE and shall within three days of any written request, commence to implement such corrective action plan only as approved or modified by the MHBE.
- M. Contract Officers.**
1. The MHBE designates the Executive Director of the MHBE as its Contract Officer, who may appoint a designee. She or her designee shall be authorized and empowered to represent the MHBE with respect to all matters relating to the Agreement. Such designation may be changed during the period of this Agreement only by written notice.
 2. Carrier designates [individual authorized to enter into binding agreement on behalf of Carrier] as its Contract Officer. S/he or his/her designee shall be authorized and empowered to represent Carrier with respect to all matters relating to the Agreement. Such designation may be changed during the period of this Agreement only by written notice to the MHBE.
- N. Venue.** Suits or proceedings under this Agreement must be initiated in the State of Maryland Circuit Court for Baltimore City. Service will be in accordance with State or federal law as applicable.
- O. Maryland Law.** Except as otherwise noted, this Agreement shall be construed, interpreted and enforced according to the laws of the State of Maryland.

- To the MHBE: Michele Eberle, Executive Director, Maryland Health Benefit Exchange, 750 E. Pratt St., 6th Floor, Baltimore, 21202.
- To the Carrier: [Carrier to write in notice party name and address here]
- Q. Severability.** In the event that any provision of this Agreement or the applicability thereof to any person or circumstance is held invalid by competent judiciary or regulatory authority, it shall not affect the validity or enforceability of any other provision of this Agreement. In the event a provision of this Agreement is severed by a judiciary or regulatory authority, the Parties will negotiate in good faith an amendment to this Agreement that addresses the consequences of any such severance

R. Confidentiality.

1. Except where superseded by State or federal transparency requirements, the Parties agree (1) to keep all non-public information arising from or related to this Agreement confidential (Confidential Information); (2) to hold all Confidential Information related to this Agreement in confidence to the same extent and with at least the same degree of care as the Party protects its own confidential or proprietary information of like kind and import, but in no event using less than a reasonable degree of care.
2. Notwithstanding the foregoing, (1) Carrier acknowledges and agrees that the MHBE is subject to laws that may compel the MHBE to disclose information, such as the Maryland Public Information Act; and (2) the Parties shall be permitted to disclose relevant aspects of Confidential Information to their officers, agents, and subcontractors only to the extent such disclosure is reasonably necessary for the performance of their duties and obligations under this Agreement and such disclosure is not prohibited by applicable law. For the avoidance of doubt, to the extent this provision conflicts with any provision of the Non-Exchange Entity Agreement between MHBE and the Carrier, the Non-Exchange Entity Agreement shall prevail as to the Carrier obligations with respect to confidentiality and privacy.

- S. Use of Party Names and Logos.** Each Party's use of the other Party's trademarks, brand names, seals, logos and similar instruments, including those marks licensed by the Party, shall be subject to prior review and approval by the other Party, provided, however, that such approval shall not be unreasonable denied.
