2022 Open Enrollment Dates: Nov. 1 – Dec. 15

Open Enrollment is established in regulation to run from Nov. 1 – Dec. 15, but the Exchange may modify the open enrollment period with the approval of the Board of Trustees. (COMAR 14.35.07.11)

We plan to maintain 2022 open enrollment dates of Nov. 1 – Dec. 15, 2021.

- Consistent (same as OE 5, 6, 7, and 8)
- Has been successful: MD enrollment up 4.5%
- Ability to reuse marketing and outreach materials
- No changes to HBX necessary
- Gives consumers who enroll through OE 12 months of coverage
- Avoids overlap with tax filing SEP

Thank you!
