“Before I complete and submit your application today, I need to review 3 things with you. Please indicate your understanding by saying ‘Yes’ after each statement is read”

(VERBATIM) “I’m signing this application under penalty of perjury. This means I’ve provided true answers to all the questions including incarceration status on this form, to the best of my knowledge. I understand that the Maryland Health Connection will use data from other State and Federal sources to determine eligibility. I know that if I’m not truthful, there may be a penalty.”

“Maryland Health Connection will use your tax return during the auto renewal process to redetermine yearly eligibility for help paying for health insurance for up to 5 years.

“Please report changes in address, income, household or immigration or health insurance status right away to determine if the changes affect your eligibility for coverage or financial help.”
