

## **Summary of Independent Accountant's Report Maryland Health Benefit Exchange Plan Year 2021**

The Affordable Care Act requires state-based exchanges to have an annual external independent examination of financial and program activities in accordance with 45 CFR 155.1200-1210, Subpart M – Oversight and Program Integrity Standards for State Exchanges. Accordingly, the Maryland Health Benefit Exchange (MHBE) contracted Hamilton Enterprises LLC (Hamilton) to perform the required examination. The auditors reviewed processes in place during MHBE's Plan Year 2021, which ran from January 1, 2021 to December 31, 2021.

The examination included a review of MHBE's accounting of expenditures<sup>1</sup> and regulatory standards for general functions of State-based Exchanges. Specific areas of examination included, but were not limited to, certification of Qualified Health Plans (QHPs), enrollment in QHPs, Medicaid, data reporting, information disclosures, and quality improvement strategies.

Hamilton followed *Governmental Auditing Standards* and made its report available to the U.S. Department of Health and Human Services for review. In Hamilton's opinion, MHBE was compliant with 45 CFR Part 155, Subparts C, D, E, K, and M.

Based on the testing of Plan Year 2021, Hamilton did not identify any exceptions during its programmatic examination.

Based on the testing of Fiscal Year 2021 (July 1, 2020 to June 30, 2021), Hamilton did not identify any exceptions during its examination of financial activity.
