

DATAREPORT

June 30, 2023

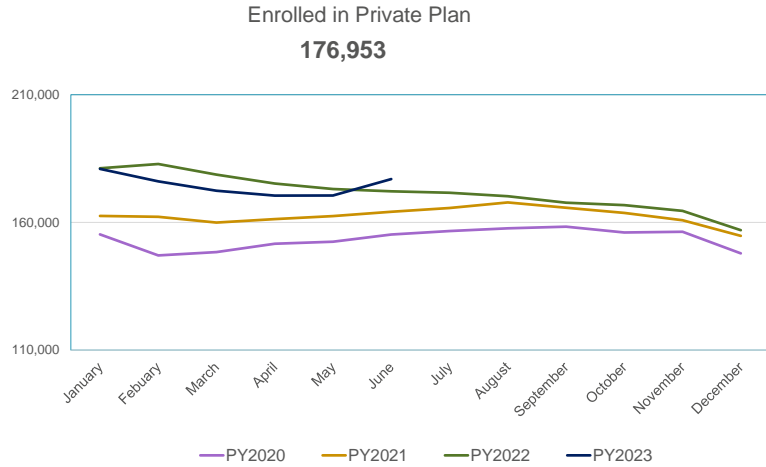

1-2 EXECUTIVE SUMMARY | 3-17 PRIVATE PLANS | 18 YOUNG ADULT SUBSIDY | 19 DENTAL | 20-22 MEDICAID | 23 HOW CONSUMERS ENROLLED

- June saw the most new private-plan enrollments since open enrollment ended in January, as a result of the Medicaid redetermination process.
- Of those rolling off Medicaid in June, the second month of the unwinding process, about 2,000 enrolled in private coverage. That was nearly twice as many as in the first month of unwinding.
- Black and Hispanic enrollments are up largely throughout the state. Of note, Hispanic enrollments were up 21 percent in Prince George's County year over year. Black enrollment was up 46 percent year over year in Wicomico County.
- June marked the first anniversary of the Easy Enrollment program for Unemployment insurance filers and the highest month of activity. More than 10,000 filers checked the box in June alone to request help enrolling. More than 1,600 enrolled in Medicaid and nearly 400 in private plans.
- Young adult enrollments were about 600 greater than a year earlier, helped by an 1,100- increase year over year in those receiving the state's young adult subsidy in its second year.

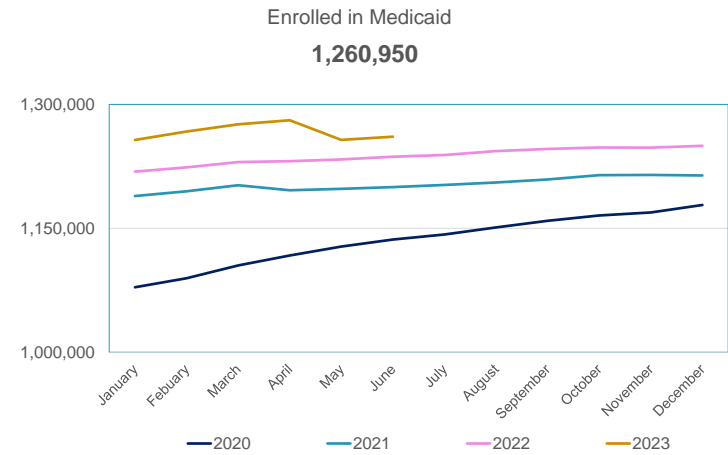

SUMMARY

Data includes effectuated (paid up) enrollments plus all new plan selections as of the last day of the month.

Private Plan Summary

Income Based Medicaid Summary

Enrolled in Private Plan

Enrollees by New/Renewal
