

DATA REPORT

April 30, 2026

1-2 EXECUTIVE SUMMARY | 3-15 PRIVATE PLANS | 16 STATE SUBSIDY | 17 DENTAL | 18 VISION | 19 SHOP | 20-22 MEDICAID | 23 HOW CONSUMERS ENROLLED

- Private-plan enrollments through Maryland Health Connection at the end of April 2026 totaled 221,488, a decrease of 18,219 enrollees from March 2026 (239,707) and down 8% from April 2025 (239,990). This is the steepest year-over-year April decline in the past five years.
- The 26,171 private-plan cancellations in April 2026 were the highest single-month total in at least two years, nearly five times the 5,380 recorded in April 2025 and well above the prior recent high of 14,844 in December 2025.
- Migration from comprehensive coverage persisted. Gold plan enrollment dropped 16% year-over-year (from 110,858 to 93,326) and 7% from the prior month. Bronze plan enrollment rose 7% year-over-year, from 55,920 to 59,976. The share of enrollees without tax credits increased to 30%, up from 21% in April 2025, indicating greater out-of-pocket exposure for a larger portion of the enrolled population.
- Year-over-year enrollment declined across all reported demographic groups. Compared to April 2025, statewide enrollments decreased among Black or African American enrollees (13%), Hispanic enrollees (11%), and White enrollees (6%).
- State subsidy participation reached 154,567 enrollees (70% of private-plan enrollees) at an average monthly benefit of \$93.62, down 16,572 enrollees from March 2026. Total monthly subsidy costs declined to \$14.47 million from \$16.25 million, consistent with the overall enrollment decrease.
- Net premiums for enrollees below 100% FPL rose to \$57.92 per month, up from \$45.17 in April 2025 (+28%), reflecting increased cost burden at the lowest income levels. Enrollees above 400% FPL saw premiums decrease to \$304.23, down from \$394.59 (-23%).
- Dental plan enrollments totaled 77,326, down from 80,312 in March 2026 but up 6% from April 2025 (72,978). Vision enrollments grew to 1,276, up 26% from 1,013 in April 2025. Small business (SHOP) covered lives increased to 784, up 10% from 714 in April 2025, a notable gain given Aetna's exit from the program.

SUMMARY

Data includes effectuated (paid up) enrollments plus all new plan selections as of the last day of the month.

Private Plan Summary

Income Based Medicaid Summary

Enrollments 2025 vs 2026

Enrollees by New/Renewal
