MarylandHealthConnection.gov

It's your one-stop shop for comparing and enrolling in a health plan. We've got plans from the health insurance companies you know. You'll also find free and low-cost options through Medicaid and the Maryland Children's Health Program (MCHP).

Already covered?

Plans and prices change every year, so it pays to shop around during open enrollment. You can enroll in Medicaid year-round.

Trip: AVOID THE PENALTY

If you don't have health insurance, you might have to pay a penalty—**starting at \$700**. Ouch.
